These are draft option blocks and may be subject to change depending on student numbers and staffing availability

Notes: Double Awards need to be chosen across two blocks (e.g. Business CTEC Single plus Business CTEC Additional). Health & Social Care Double Award needs to be chosen in both the double blocks (B and C), the single is separate in block A. Full time courses are chosen on their own and may not be combined with other subjects in this table (although Maths and English GCSE resit can be added as necessary). Science BTEC Double must have both blocks taught at the same school i.e. either block B and C or A and D.

S = St George's Academy, R = Robert Carre Trust

Block A			**Block B**			**Block C**			**Block D**			**Full time**
