Dear Parent/Carer

In order to support your son/daughter's studies in Mathematics at A Level, he/she will be issued with a range of textbooks for this academic year. However, due to the high volume of textbooks that remain unreturned from previous years we must ask for a deposit of £20 per student. These textbooks should be brought to every lesson as they will provide a useful resource when completing class work and preparing for the examinations. At the end of the academic year they should be returned to the LRC in an acceptable condition, at which time the initial deposit will be returned.

The textbooks covered by the deposit are as follows:

Year 12

Pure Mathematics Year 1

Statistics and Mechanics Year 1

Year 13

Pure Mathematics Year 2

Statistics and Mechanics Year 2

I would be grateful if you could complete the slip below and return it to the Finance Office by Friday 15 September. If you have any further questions regarding the above, please do not hesitate to contact me at school.

Yours faithfully

Mrs R Mahoney

Head of Mathematics
