

15 November 2021

Dear Parent/Carer

I am hoping to be able to put on a Christmas Concert on Tuesday 7 December at 7pm in the Main School Hall (Covid situation permitting). I am sure that you understand the difficult logistics of organising an event such as this in the current situation, but we will do our best! I know that the students are very keen to be able to perform again.

Tickets **must** be purchased in advance so that we are able to restrict numbers and avoid overcrowding. They will be available from the school office at a cost of £1 for children and £3 for adults on a first-come, first-served basis. Tickets will not be available on the door for this event.

We would appreciate it if all adult members of the audience would conduct a Lateral Flow Test before attending the concert and be prepared to wear a mask when not seated.

I hope that you will be able to join us for a much-anticipated event (all being well!)

Yours faithfully

A handwritten signature in dark ink, appearing to read 'R Quinton', with a stylized flourish at the end.
