Dear Parent/Carer

As part of the A Level Geography course we have been studying urban regeneration and change. To supplement work done in the classroom on this topic we will be taking students on a fieldtrip to Lincoln. The A Level Geography course requires students to complete 4 days of fieldwork over the 2 year course. This will be the first day of that fieldwork to practise skills needed when completing the Non-Examined Assessment (NEA) later on in the course.

The trip will take place on **Tuesday 12 October 2021**. The transport will leave the school at 8.45am and return at approximately 3.30pm.

In order to cover transport, the cost of the trip is £4. Under the requirements of the Education Reform Act 1988 we can only raise the cost of the visit by voluntary contributions. However, the visit can only go ahead if the level of support is sufficient.

Please return the reply slip below to give your permission for your son/daughter to attend the trip. The trip will appear on your ParentPay account to enable payment to be made.

Yours faithfully

Miss E Chaddock
Head of Geography
