Rationale

Public examinations provide vital summative assessment, generally at the end of a Key Stage. This assessment gives information to students, parents, other education institutions, local authority and government agencies and employers about knowledge, understanding and skills achieved. To this end the school participates willingly in the administration of these examinations in the best interests of the students and the school. In addition, other internally set and marked examinations may take place at other stages in a student's progress through the school in order to both prepare for public examinations and check student learning.

Purpose

To ensure that:

- The exams system in this school combines entitlement with flexibility;
- Students are given the opportunity to demonstrate the highest achievement of which they are capable and competent; administration helps them to achieve their best;
- Students undertake examinations knowing what is expected of them in terms of preparation and behaviour;
- Students are guided in their decisions about whether to withdraw an examination entry and to do so with full knowledge of their implications for their careers or future education;
- Staff understand fully their obligations and responsibilities with relation to examinations;
- The school meets the requirements of examination security and is properly equipped to undertake the administration of examinations, including data processing and a results service;
- Accurate examination data is available to inform target setting;
- Curriculum planning, target setting and careers links take into account up-to-date information on the current examinations system.

Guidelines

Responsibilities for public examinations:

- **Head of School (Head of Centre)** - overall responsibility for the school as an examinations centre;
- **Senior Team** - organisation of teaching and learning and therefore of the opportunities for external validation of courses followed at key stages 4 and post-16;
- **Exams Officer** - administration of entries, relevant paperwork, organisation of examination sessions and examination data;
- **Administration Staff** - posting of examination papers and post results procedures;
- **Invigilators** - supervise the organisation and conduct of the examinations.

Introduction to Public Examinations

Each school within The Robert Carre Trust operates as a separate centre for examinations purposes and administration. There is an expectation that all students who have completed a course in any Ofqual-approved qualification will be entered for the external examination, including coursework, internal assessment or Non-Examination Assessment requirements.

Where teachers, with subject responsibility, have expressed serious concerns about an examination entry, they must raise them in good time with the examinations management team (The Examinations Officer, Head of Year/Pastoral Leader as appropriate and the Subject Leader). *Any concerns must have been shared with parents/carers in good time. This is the responsibility of the Subject Leader.* If not resolved by this team and agreed with the parent and student, the issue should be referred to the school head for resolution.

The Head of Centre will make the final decision on individual entries where a concern has been raised and not resolved.

If students are withdrawn from examinations after entry deadlines and costs are incurred, these costs may be passed on to the Department or to the student (e.g. if a student fails to complete coursework despite repeated help from department). Any students entered early for an examination will be as fully prepared for the examination as other students taking the examination at the usual time, so there may also be a charge for late withdrawals.

The departments concerned must have provided ample advice and opportunity for a student in difficulties to make up any lost ground. Clear deadlines and targets must have been set.

Where a student is entered for an examination, but subsequently leaves the school, or is withdrawn after discussion with the subject teacher/subject leader and the Head of Year/Pastoral Leader, it is the responsibility of the subject leader to inform the Examinations Officer of the withdrawal. Failure to do this will incur a penalty fee, which may be charged to the departmental budget.

The Examinations Officer will publish a schedule of the year's key dates and deadlines by the end of September in the relevant academic year and meet subject leaders to explain the entry process and the published deadlines.

Additional Needs and Access Arrangements

Applications for access arrangements are overseen by the SENCO in collaboration with the examinations office. Protocols are revised and updated annually in line with the Joint Council for Qualifications (JCQ) regulations.

The expectation of JCQ is that wherever access arrangements are put in place for exams that as far as possible they are in line with normal working practice.

GCSE and GCE

Late fees are payable if the examination board's deadlines are not met. These may be charged to the relevant departments. Information regarding individual students' (syllabus code, option code, tier level etc.) must be made available to the Examinations Officer using the correct pro-forma at least two weeks before the examination boards' deadlines for the relevant examination season, as notified by the Examinations Officer in the schedule of key dates published in September.

The printout of entries must be signed as correct and returned to the Examinations Officer, a copy being kept for departmental records.

Non-Examination Assessments will be supported by the Examinations Office and suitable supervision

arrangements made if requested by Heads of Subject.

It is the subject leader's responsibility to ask the Examinations Officer to claim an award (Cash-in) for all students at the end of an AS course, whether or not they are continuing their subject to A-level. This also applies to any student who leaves the sixth form after completing the AS qualification.

BTEC and OCR National Diploma Registration

BTEC registration is normally done via EDI by the Examinations Office before the end of November for the following summer. Data is supplied by the responsible Head of Subject and printouts checked and signed as for GCSE above. Late fees may be payable if the examination boards' deadlines are not met. These may be charged to the relevant departments.

OCR National Diploma registrations can be completed via EDI at any time, but for purposes of clarity, the Examinations Office should be informed of these by the end of November.

All registrations are entered by the Examinations Office.

External Candidates

The school accepts entries from external candidates at the discretion of the Examinations Officer. The school reserves the right to charge an administration fee, supply personal details for our records and pay all the relevant UAB charges. The Examinations Officer may decline to accept external entries where these necessitate an unreasonable workload for the Examinations Office or for teachers or for any reason which might in any way compromise school policies.

Examinations Information

Students will be informed of their examination entries by a printout of their personal subject entry list and by copies of their personal timetables, which will be circulated as soon as available, but not less than two weeks before the date of the examination.

Seating plans will be posted outside Examination Halls on the morning of exams.

At the beginning of every examination, the subject leader or a representative should be present to check attendance with an up-to-date list of entries, and to carry out any administrative checks regarding the paper requested by the Examinations Officer.

Except for the administrative checks required above, no teacher is admitted to any Examinations Hall or room. No teacher may have access to the paper until the day after the examination. Any teacher arriving unannounced in the Examinations Hall without authority to carry out the administrative checks may be required to stay until the end of the examination.

All invigilation is carried out by appointed and trained (JCQ Regs) invigilators under the direction of the Examinations Officer.

The identity of all candidates (internal and external) will be verified through the use of photographic evidence such as school records, passports and driving licences as appropriate.

Invigilators

Invigilators are paid an hourly rate calculated to the nearest half hour after they finish work, based on the required time for each examination. They are expected to arrive one hour before the starting time for the examination session and carry out any duties directed by the Examinations Officer. They will receive a detailed briefing before every exam session.

Invigilators have any responsibility delegated by the Examinations Officer in respect of the conduct of the examination, including necessary supervision and direction of students in and around the

examination halls.

Invigilators are directed to keep records of all matters relating to the administration and conduct of the examinations. Any of these records may be inspected by JCQ Examinations Inspectors.

Invigilators receive annual training updates of JCQ and UAB requirements and instruction in the standards required by The Robert Carre Trust. It is a condition of employment that all attend at least one training session.

Recruitment of invigilators is in line with all other staff recruitment and follows the principles laid down in Safe Recruitment. Appointment is subject to interview and successful clearance being received from DBS.

Inspection of Arrangements

JCQ (Joint Council for Qualifications) Inspectors will arrive without notice to inspect and report on all arrangements connected with the administration of examinations, including security and the identities of people authorised to be in the examination room. Their report is passed to all the examination boards and is available for OFSTED.

Facilities for the secure storage of all examination materials and papers in the separate centres will be used; these have been regularly inspected by JCQ and been assessed as fit for purpose. Teachers may not access these facilities.

Publication of Results

Results are available electronically in each school for the use of the Senior Leadership teams only on the day before Publication of Results to students. The results will be downloaded by the Examinations Officer through EDI and other methods approved by JCQ.

Results will be published according to the plans published by the Examinations Officer in consultation with the SLT.

Teachers may not access the results until the morning of Publication Day.

Students may have no access to results until the official publication time appointed by the examination boards.

EAR (Enquiries about Results) services are available to students and staff immediately on publication of results. Any query or uncertainty about the veracity or reliability of marking should immediately be passed to the Examinations Officer, who will provide any necessary support to resolve the uncertainty and explain any procedures that may need to be followed.

Internal Examinations

The Examinations Office assists the Deputy Head in the administration and running of mock GCSE, GCE and other internal examinations, where invigilation and examination conditions are similar to the arrangements for public examinations.

STEP, BMAT, ELAT, PPE and other tests

These tests may be arranged and run with Examination Office support and/or other suitably trained personnel. Administration and tests will be conducted in line with the regulations laid down by the relevant awarding body.

University entrance tests will be run according to the regulations set down by the various institutions requiring the assessment or test.

BCS ECDL assessments at Carre's Grammar School

Carre's Grammar School is an Approved Centre for British Computer Society (BCS) European Computer Driving Licence (ECDL) examinations.

Learner Appeals for BCS ECDL assessments

Students registered for BCS ECDL examinations are referred to as Learners.

Learners who are unhappy with any aspect of the BCS ECDL assessment and award process should first discuss the problem with their ICT/Computing Teacher or the school's Centre Manager. The reasons for dissatisfaction must be made clear by the student at this time.

The Approved Centre will keep a record of such discussions together with date and outcome.

If a Learner is not able to resolve an appeal at the Approved Centre then he/she has the right to appeal to BCS. This may be done via the Centre Manager or directly to the BCS Quality Assurance Team in writing. Learner appeals must be made to BCS as per the BCS Learner Appeals Policy within 20 days of the assessment. The BCS Learner Appeals Policy is published on the BCS Approved Centre Forum.

During any stage of the Appeals Procedure the Learner is entitled to be represented or accompanied, should they wish.

Equality Act

Equality Statement

Carre's Grammar School values diversity, and is determined to ensure that everyone is treated fairly, with dignity and respect; where the opportunities we provide are open to all; and that we provide a safe, supportive and welcoming environment - for staff, students and visitors.

Equality Impact Assessment (EIA)

This policy has been assessed with regard to its impact on equalities issue, with specific reference to the aims of the Equality Act 2010. The equality impact assessment focused on race, gender, disability, pregnancy and maternity, age, sexual orientation, gender identity and religion/belief.

EIA outcomes

- No areas of potential negative impact were found and actions resulting in positive impact are in place where appropriate.

Equality Act Policy in Relation to Exams

Introduction

Facilities exist for pupils with disabilities to access the curriculum and all relevant areas of the School. The School recognises its responsibility to provide equal access to education for all pupils irrespective of disability and confirms its commitment to ensure that no student will be treated less favourably as a result of disability.

Definition of disability

A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

School accessibility plan

The physical environment will be reviewed for the purpose of increasing the extent to which disabled students are able to take advantage of education and associated services.

Treatment of Students

The School is committed to the fair and equitable treatment of all students regardless of disability. Furthermore the School is committed to make all "reasonable adjustments" to meet the needs of disabled students in all aspects of School life.

Ensuring that the examination/examination centre is accessible

The Building

As stated above, facilities exist for students with disabilities to access the curriculum and all relevant areas of the School.

- A private room can be arranged for an examination, where appropriate, with the Exams Officer checking that the environment is suitable for the candidate.

For example, that there is enough room for a wheelchair and its supports.

- Provision will be made, where appropriate, to ensure that those who need to take medication during the course of an examination, can do so in privacy and as quickly as possible.
- Examination rooms will be arranged, where possible, close to an accessible toilet.
- The School is committed to make all "reasonable adjustments" to meet the needs of disabled students, where necessary. For an exam, this may mean choosing a room that ensures that the candidate feels most comfortable or arranging specific lighting or tactile surfaces, etc.

- The School will ensure that both disabled candidates and staff are aware of the emergency evacuation procedures to ensure that disabled candidates can be safely evacuated from the building whatever their disability or impairment.

Seating

- Candidates will be seated close to the exit in the examination room to make them feel more comfortable and to limit disruption for others.
- There will be sufficient space between desks and chairs to enable a candidate (or invigilator) that uses a wheelchair to enter and leave the area without difficulty.
- Chairs will be made available, where necessary, outside examination rooms to enable those with mobility issues to sit and rest before they enter the examination.
- We will ensure that seating is appropriate and comfortable for those who may have a disability that affects seating and posture.

Signage

- We will ensure that all the signs for the examination and those provided by the Examination Body are suitably sized and adapted to meet the needs of candidates with a disability.
- Sign content will be simple, short and easily understood. Text and lettering will be in a clear, uncomplicated and reasonably sized font.

Emergency Evacuation

- The Exams Officer and invigilators will know what procedures are in place for those with a disability, in particular, for those who may need assistance to leave a building. They will make sure that when evacuation and emergency procedures are being explained to candidates, attention is given to appropriate explanation for those with a disability whose arrangements may be different.
- Most ground floor exits are level and are accessible to wheelchair users.

Resources

- Where computers are being used for an examination, the School will ensure that hardware and software has been properly adapted and tested for those who may use them, such as people with a visual or aural impairment. The School will also ensure that there are backups and alternatives in case support equipment ceases to function.

Improving the candidate experience

- The Exams Officer will maintain a good, positive working relationship with the Special Educational Needs department to ensure that there are clear lines of communication.
- Evidence to support applications for access arrangements will be obtained and recorded using key guidance provided by the Awarding Body booklet, Access Arrangements and Special Consideration, to ensure that appropriate arrangements and facilities are made available which meet the requirements of any candidate with a disability. This will ensure the consideration of a whole range of adjustments, which can be made to ensure that there is a level playing field for candidates with a disability. These adjustments may include:
 - Modified test papers, for example enlarged print or Braille.
 - Up to 25 per cent extra time (or considerably more if a candidate's disability is of a profound and extensive nature).

- A reader or scribe. Ensuring that the candidate is placed with a member of staff that they are used to working with and feel comfortable with.
- Supervised rest breaks.
- Different coloured scripts.
- Use of a bilingual dictionary.
- A prompter.
- Use of a computer or other technology.
- Use of an individual room.
- Exam results are made available to all pupils in the Library which is fully accessible to disabled students. A private accessible room can be arranged for a student where requested or deemed appropriate.

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at Carre's Grammar School. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by scenarios contained in the *Joint contingency plan in the event of widespread disruption to the examination system in England, Wales and Northern Ireland*.

This plan complies with JCQ general regulations (section 5) in that:

The centre agrees to "have in place a written examination contingency plan/examinations policy which covers all aspects of examination administration. This will allow members of the senior leadership team to have a robust contingency plan in place, minimising risk to examination administration, should the examinations officer be absent at a crucial stage of the examination cycle;"

Fire Evacuation

The invigilator/teacher **must** take the following action in an emergency such as a fire alarm, bomb alert or any other emergency which requires an evacuation of an examination / controlled assessment room.

Invigilators at Carre's Grammar School have been informed that they must take the following action in accordance with JCQ *Instructions for conducting examinations*.

- Stop the candidates from writing.
- Collect the attendance register (in order to ensure all candidates are present).

In the event of a fire alarm at the school during exams the instruction is: **Invigilators should await instructions for the H&S Officer or member of SLT whether the exam room(s) should be evacuated.**

- Evacuate the examination room in line with the instructions given by the appropriate authority.
- Advise candidates to leave all question papers and scripts in the examination room (If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination.
- Candidates should leave the room in silence and proceed to fire assembly point.
- Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination.
- Make a note of the time of the interruption and how long it lasted.
- Allow the candidates the full working time set for the examination.
- Give candidates 5 minutes to recollect and gather themselves before re-starting the examination.
- Make notes of the incident to enable the examinations officer to produce a full report of the incident and of the action taken, and send to the relevant awarding body.

In addition to the actions required by JCQ ICE regulation 18 above, invigilators are also informed of the following centre-specific actions or information:

- The exam room must be evacuated by the nearest fire exit.
- Candidates must be escorted to the assembly point in the Sports Hall car park/field.
- On returning to the exam room allow candidates time to settle down, reminding them they are still under exam conditions.
- Restart the exam and allow candidates the full working time set for the examination.
- Make relevant changes to the displayed finish time.
- All information regarding the evacuation must be recorded on the exam room incident log.

Identification of Candidates

The JCQ requires centres to verify the identity of all candidates. Carre's Grammar School will uphold this requirement in the following ways:

Internal Candidates

A file containing photographs of all students sitting examinations will be available in the main examination hall. If, after consulting the photographs, there is any doubt in the identification of a student, a member of the SLT or Head of Year will be asked to verify the identity in question.

External Candidates

External candidates will be informed at point of entry to provide photographic ID before entering them for any examinations and of the need to bring photographic ID (ideally passport or driving licence) to all examinations or assessments.

A register will be taken in each examination room to include both internal and external candidates.

If there is any doubt as to the candidate's identity this will be reported to the relevant awarding body

Internal Appeals Procedure

Appeals procedure against internal assessment decisions

Carre's Grammar School is committed to ensuring that internal assessments are marked and administered fairly, consistently and in accordance with the awarding body specifications and subject-specific associated documents. Internal assessment includes controlled assessments, coursework and portfolios of evidence

This is ensured by:

- Subject staff having the necessary and appropriate knowledge, understanding, skills, and training in this activity
- Subject staff authenticating candidates' work according to the requirements of the relevant awarding body
- A process of internal moderation and standardisation led by Heads of Department/nominated subject staff

An appeal against internal assessment decisions can be made, based on the above not being fulfilled.

All appeals must follow the procedure detailed below.

Note - *appeals may only be made against the marking/assessment process not against the mark submitted by the centre for moderation by the awarding body.*

1. Appeals should be made as early as possible and **at least two weeks before** the end of the last externally assessed paper in the examination series (e.g. the last GCSE written paper in the summer exam series)
2. Appeals should be made using the **internal appeals form** completed by the candidate (or parent/carer)
3. The head of centre will appoint a member of the senior leadership team, who has no involvement in the assessment process for that subject to conduct the investigation
4. The purpose of the appeal will be to decide whether the process used for the internal assessment conformed to the published requirements as detailed in the awarding body specification(s) and/or subject-specific associated documents
5. The appellant will be informed in writing of the outcome of the appeal, including any relevant correspondence with the awarding body and any changes made to internal assessment procedures
6. The outcome of the appeal will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the appeal bring any significant irregularity in procedures to light, the awarding body will be informed

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation may lead to mark changes. This process is outside the control of the school and is not covered by this procedure.

Reviews of marking - centre assessed marks (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments)

Carre's Grammar School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. CGS is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

Provided that the candidate meets the school deadlines for submission of work the school will provide the candidate with the mark that the centre has awarded the candidate at least four weeks before the marks have to be submitted to the board.

If a candidate believes the marks awarded by the centre may be inaccurate they may request the chance to see their marked work and go through how the grade has been awarded with a member of staff. If after this they still believe that the mark may be wrong they may request an independent review of the mark. In order to provide sufficient time for this to be done properly and for the school to action any further work that comes out of this the request must be made at least three weeks before the board deadline.

Candidates need to be aware that the marks can go up or down, but changes will only be made if the mark is outside of normal tolerance. This is in line with the practice of exam boards with regards to their re-marking of board assessed material.

Requests for reviews of marking must be made at least three weeks before the examination board deadline for submission of marks accompanied by the appropriate fee and the Internal Appeals Form.

The school will:

- ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
- inform candidates that they may request copies of materials e.g. specification' mark scheme to assist them in considering whether to request a review of the centre's marking of the assessment.
- having received a request for copies of materials, promptly make them available to the candidate within 5 working days(during term time).
- provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.
- allow sufficient time(10 days) for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
- ensure that the review of marking is carried out by an assessor who has appropriate competence (if necessary from another local school), has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
- instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
- inform the candidate in writing of the outcome of the review of the centre's marking.

If the review has led to a change in the mark for the candidate the candidate's payment will be refunded.

The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Carre's Grammar School and is not covered by this procedure.

Appeals procedure against centre decisions not to support an enquiry about results

Following the issue of results, the general qualification awarding bodies offer [post-results services](#). Full details of these services, internal deadlines for requesting a service and fees charged will be provided by the exams officer.

The service, *enquiries about results* (EARs), may be requested by centre staff or candidates (or their parents/carers) if there are reasonable grounds for believing there has been an error in marking. If a query is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting an enquiry at the centre's expense.

When the school does not uphold a request from a candidate, the candidate may pay the appropriate fee, and a request will be made to the awarding body on the candidate's behalf.

If the candidate (or their parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an appeal can be submitted to the centre using the **internal appeals form** at least **one week prior to** the internal deadline for submitting an EAR.

Appeals procedure following the outcome of an enquiry about results

Where the head of centre remains dissatisfied after receiving the outcome of an EARs, an appeal will be made to the awarding body, following the guidance in the JCQ publications *Post-results services*

<http://www.jcq.org.uk/exams-office/post-results-services> and *A guide to the awarding bodies' appeals processes* <http://www.jcq.org.uk/exams-office/appeals>

Where the head of centre is satisfied after receiving the outcome of an EAR, but the internal candidates and/or their parents/carers are not satisfied, they may make a further representation to the head of centre. Following this, the head of centre's decision as to whether to proceed with an appeal will be based upon the centre's internal appeals arrangements. Candidates, parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within **10 calendar days** of the notification of the outcome of the enquiry. Subject to the head of centre's decision, this will allow the centre to process the appeal and submit to the awarding body within the required 14 calendar days. Awarding body fees which may be charged for the appeal must be paid by the appellant on submission on the internal appeals form. If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

Word Processor Policy

Some students may benefit from the use of a word processor during some or all of their examinations.

For example, candidates with:-

- A learning difficulty which has a substantial and long term adverse effect on their ability to write legibly
- A medical condition
- A physical disability
- A sensory impairment
- Poor handwriting
- Planning and organisational problems when writing by hand

This list is not exhaustive. Each case will be considered on its merits with a decision made by the SENCO in consultation with SLT.

In all cases the use of a word processor must reflect the candidate's **NORMAL WAY OF WORKING** within the centre and be appropriate to the candidate's needs. The use of a word processor will not be granted to a candidate because he/she prefers, to type, works faster on a keyboard, or because they use a laptop/PC at home. Permission to use a laptop/device in class should not be taken to imply permission to use this arrangement in examinations.

Candidates must not use their school log-in on a school computer for exams. The invigilator will always give a specific exams log-in.

Candidates must not use their own computer/lap-top for exams.

Candidates are responsible for frequently saving their work during the exam time. It is the responsibility of the candidate to ensure that the pages are numbered, that each page has the centre number, candidate number and unit/component code as either a header or a footer, that the script is written with a minimum of 12 point font and there is double spacing.

At the end of the exam, the invigilator will always have an exams memory stick to save the candidates work to. A student's own memory stick must NEVER be used.

Every effort is made to ensure that candidates cannot access spell check, their own drive and the internet during exams. However, if any student is found trying to get around the settings this will be interpreted by the school as malpractice and will be reported to the Awarding Body.

Non-Examination Assessment

Introduction

Non-Examination Assessment is internal assessment and replaces coursework in GCSEs. It is used for those aspects of a subject which cannot be readily assessed by external examination.

Different GCSE subjects require different amounts of Non-Examination Assessment. Some subjects with no Non-Examination Assessment are assessed entirely by external examination.

Every school and college must ensure that Non-Examination Assessment is managed effectively and operates smoothly to benefit students and comply with the regulations.

Principles

As far as possible, and within the context of the availability of suitable accommodation and resources, students will undertake Non-Examination Assessments at the most appropriate time during their GCSE courses according to their prior learning and requirements of the specification.

The three stages in Non-Examination Assessment (task-setting, task-taking and task-marking) will be conducted in line with the regulations laid down by JCQ and the individual awarding examination boards.

Procedures to be followed

- Non-Examination Assessments are suitably incorporated into schemes of work
- Advance planning, from the beginning of GCSE teaching, to avoid missing deadlines and compromising students' achievement in the GCSE
- The relevant staff have all the necessary information from the awarding organisation concerning the assessment task and the controls which need to be applied to it
- Additional requirement for candidates with special educational needs are clearly laid out
- Contingency arrangements in the event that a planned assessment cannot take place for some or all of the candidates are in place
- Internal standardisation of marking for all teachers involved in assessing an internally assessed component
- Suitable secure storage for candidates' work
- The necessary data records are kept and submitted to the awarding organisation by the specified dates.

Responsibilities

Senior Leadership Team

- Accountable for the safe and secure conduct of Non-Examination Assessments. Ensure assessments comply with JCQ guidelines and awarding bodies' subject-specific instructions.

- At the start of the academic year, begin coordinating with Heads of Department/Subject to schedule Non-Examination Assessments. (It is advisable that Non-Examination Assessments be spread throughout the academic years of key stage 4).
- Map overall resource management requirements for the year. As part of this resolve:
 - Clashes/ problems over the timing or operation of Non-Examination Assessments.
 - Issues arising from the need for particular facilities (rooms, IT networks, time out of school etc.)
- Ensure that all staff involved have a calendar of events

Heads of Department

- Ensure that at least 40% of overall assessment (controlled and/or external assessment) is taken in the exam series in which the qualification is certificated, to satisfy the terminal assessment requirement in accordance with the awarding body specification.
- Standardise internally the marking of all teachers involved in assessing an internally assessed component.
- Ensure that all the teachers in the Faculty/Department understand their responsibilities with regard to Non-Examination Assessment and are familiar with the contents of the JCQ publication *“Instructions for conducting Non-Examination Assessments”*.
- Ensure that individual teachers understand the requirements of the awarding body's specification and are familiar with the relevant teachers' notes, and any other subject specific instructions.
- Where appropriate, develop new assessment tasks or contextualize sample awarding body assessment tasks to meet local circumstances, in line with awarding body specifications and control requirements.
- Have ultimate responsibility in ensuring that all confidential materials, together with the work produced by the candidates, are stored securely at all times in accordance with sections 2.1 and 2.2 of *“Instructions for conducting Non-Examination Assessments”*.

Teaching Staff

- Understand and comply with the general guidelines contained in the JCQ publication *“Instructions for conducting Non-Examination Assessments”*.
- Understand and comply with the awarding body specification for conducting Non-Examination Assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website.
- Supply to the exams office details of all unit codes for Non-Examination Assessments.
- Obtain confidential materials/tasks set by awarding bodies in sufficient time to prepare for the assessment(s) and ensure that such materials, together with the work produced by the candidates, are stored securely at all times in accordance with sections 2.1 and 2.2 of *“Instructions for conducting Non-Examination Assessments”*.
- Ensure that, where appropriate, Support Staff be given sufficient notice in which to order and prepare materials needed for assessments.
- Supervise assessments (**at the specified level of control**). Undertake the tasks required under the regulations, only permitting assistance to pupils as the specification allows.
- Ensure that pupils and supervising teachers sign authentication forms on completion of an assessment.

- Mark internally assessed components using the mark schemes provided by the awarding body. Submit marks through the exams office to the awarding body when required, keeping a record of the marks awarded.
- Retain candidates' work securely between assessment sessions (if more than one).
- Post-completion, retain candidates' work securely until the closing date for enquiries about results. In the event that an enquiry is submitted, retain candidates work securely until the outcome of the enquiry and any subsequent appeal has been conveyed to the centre.
- Ask the appropriate special educational needs coordinator (SENCO) for any assistance required for the administration and management of access arrangements.

Examination Officer

- Enter students for individual units, whether assessed by Non-Examination Assessment, external exam or on-screen test, before the deadline for final entries.
- Enter students' 'cash-in' codes for the terminal exam series.
- Where confidential materials are directly received by the exams office, to be responsible for receipt, safe storage and safe transmission, whether in CD or hard copy format.
- Download and distribute mark sheets for teaching staff to use, and collect and send mark sheets to awarding bodies before deadlines.
- On the few occasions where Non-Examination Assessment cannot be conducted in the classroom, arrange suitable accommodation where Non-Examination Assessment can be carried out, at the direction of the senior leadership team.
- Create, publish and update an internal appeals policy for Non-Examination Assessments.

Special Educational Needs Co-ordinator/Additional Learning Support

- Ensure access arrangements have been applied for.
- Work with teaching staff to ensure requirements for support staff are met.

Important! All who conduct Non-Examination Assessments should be aware of the following changes and understand.....

- The three levels of supervision i.e. **High (Formal)**, **Medium (Informal)** or **Low (Limited)** and the differences in the management of these assessments.
- That in the case of High Level supervision candidates should **NOT** have access to e-mail, the internet, *mobile phones* or any other electronic devices
- That if videos or photographs/images of the candidates are to be included as part of presentation consent must be obtained from parents/carers/guardians.
- That formal permission is not needed for Word Processing *unless otherwise stated in the Examination Board's Specification*. A candidate using a word processor must ensure that his/her name appears on every page as a header or footer.

Good Practice

- Have a labeled box placed prominently for the collection of mobile phones (switched off) and other unauthorised material prior to a Formal Assessment.
- Keep a Faculty/Departmental log which contains:

The date and time of each assessment together with its title

The name of the supervising teacher

A list of candidates who were present during the assessment

A list of any absent candidates

A log of any incidents which occurred during the assessment

- Give each candidate a copy of the JCQ *Notice to Candidates* (for Non-Examination Assessments) at the start of each assessment and ensure that they fully understand the penalties incurred in the case of any kind of malpractice.

Internal Appeals Procedure

Procedures to be followed in the event of a query or complaint about Non-Examination Assessment are laid out in the policy 'Appeals against internal assessment of work for external qualifications'.

Sources of Further Information

- Specifications available from the awarding organisations' websites
- Joint Council for Qualifications guidance

Monitoring Arrangements

The effectiveness of Non-Examination Assessment and the associated policy will be monitored through an annual report to the senior leadership team from the Assistant head with responsibility for examination and assessment. The report will contain feedback from the examinations officer and departmental/faculty heads.

Non-Examination Assessment Protocols

Formal supervision (high level of control) sessions

- Students must be in direct sight of the supervisor at all times.
- The use of resources is tightly prescribed, normally only research folders/diaries.
- Students must complete all work independently.
- Students must not communicate with each other.
- No assistance can be given to students.

To all extents and purposes it is recommended that Formal Supervision (high level of control) sessions are treated in the same way as Public Examinations i.e. students should hand in their mobile phones and electronic devices at the start of a session, have a clear pencil case, leave their bags outside the room, and not communicate for the duration of the session.

Informal supervision (medium level of control) sessions

- Students do not have to be directly supervised at all times but there must be adequate supervision to ensure that work can be authenticated.
- Teachers must ensure that:
 - the students' work is their own
 - plagiarism does not take place
 - the contributions of individual students are recorded accurately.
- Students have access to resources.

- Students can work together.
- Students can receive limited teacher guidance.

Limited supervision (low level of control) sessions

- Some work can be completed without supervision, outside the classroom/centre.
- Students have access to resources.
- Students can work together.
- Students can receive guidance from teachers.

How should centres store work securely?

Throughout the assessment period, all assessment materials (including mark schemes and student work) must be stored securely, usually in a locked cabinet/cupboard. Work produced over several sessions must be collected at the end of each session and stored securely, including, if appropriate, research folders/diaries. Work produced electronically must be saved securely to ensure it can't be amended between sessions. Work stored on memory sticks etc should also be collected in after each session. In some cases, eg where students are producing artefacts in Design and Technology or artwork in Art and Design, the locked classroom, studio or workshop will count as secure storage.

Good Practice

- Have a labeled box placed prominently for the collection of mobile phones (switched off) and other unauthorised material prior to a Formal Assessment.
- Keep a Faculty/Departmental log which contains:
 - The date and time of each assessment together with its title
 - The name of the supervising teacher
 - A list of candidates who were present during the assessment
 - A list of any absent candidates
 - A log of any incidents which occurred during the assessment
- Give each candidate a copy of the JCQ *Notice to Candidates* (for Non-Examination Assessments) at the start of each assessment and ensure that they fully understand the penalties incurred in the case of any kind of malpractice.

Fair Assessment

Rationale

The school aims to offer a variety of qualifications which provide all students with the opportunity to achieve their full potential by the most appropriate and direct route. Our Fair Assessment Policy is based on the concepts of equality, diversity, clarity, consistency and openness. We will endeavour to ensure that the assessment processes are implemented in a way which is fair and non-discriminatory.

Students are made aware of the existence of this policy and have open access to it. It can be found online at www.carres.lincs.sch.uk. Staff and students are made aware of the contents and purpose of this policy.

What students can expect from us:

- We aim to ensure that all assessment of work is carried out fairly and in keeping with the awarding body's requirements.
- All portfolio-based work will be assessed fairly against the qualification standards and teachers involved will be fully trained.
- Internal assessments will be carried out fairly and according to awarding body instructions.
- Externally marked tests and exams to follow the requirements of the awarding body.
- To be fully inducted onto a new course and given information that can be shared with parents and carers.
- Learning outcomes, performance criteria and other significant elements of learning and assessment to be made clear at the outset of the course and when assignments are set.
- To be given appropriate assessment opportunities during the course with feedback provided on the quality of the work.
- Where a student has additional needs, allowable support strategies for external assessments will be put in place in accordance with guidance from the relevant awarding body.
- For students with learning difficulties, qualified assessors will be appointed by the Head of Centre in order to identify appropriate access arrangements. The validity of the qualifications of assessors employed by the school will be rigorously checked.
- Where equivalents and exemptions can be applied, the school will ensure this is pursued with the relevant awarding body.

Plagiarism

A fair assessment of student's work can only be made if that work is entirely the student's own. Therefore students can expect an awarding body to be informed if:

- They are found guilty of copying, giving or sharing information or answers, unless part of a joint project
- They use an unauthorised aid during a test or examination
- They copy another student's answers during a test or examination
- They talk during a test or examination.

All allegations of cheating and plagiarism will lead to a full investigation which will follow the guidance of the relevant awarding body.

If a student feels he/she has been wrongly accused of cheating or plagiarism, they should be referred to the Complaints Policy.

The school will ensure that as far as practicably possible, provision, accommodation, facilities and resources relating to the examinations process will meet the needs of all groups according to the requirements of DDA and the Equality Act.

General Data Protection Regulation policy (exams)

Purpose of the policy

This policy details how Carre's Grammar School, in relation to exams management and administration, ensures compliance with the regulations as set out by the Data Protection Act (DPA) and General Data Protection Regulation (GDPR).

Students are given the right to find out what information the centre holds about them, how this is protected, how this can be accessed and how data breaches are dealt with.

All exams office staff responsible for collecting and sharing candidates' data are required to follow strict rules called 'data protection principles' ensuring the information is:

- used fairly and lawfully
- used for limited, specifically stated purposes
- used in a way that is adequate, relevant and not excessive
- accurate
- kept for no longer than is absolutely necessary
- handled according to people's data protection rights
- kept safe and secure
- not transferred outside the European Economic Area without adequate protection

To ensure that the centre meets the requirements of the DPA and GDPR, all candidates' exam information – even that which is not classified as personal or sensitive – is covered under this policy.

Section 1 – Exams-related information

There is a requirement for the exams office(r) to hold exams-related information on candidates taking external examinations. For further details on the type of information held please refer to *Section 5 – Candidate information, audit and protection measures*.

Candidates' exams-related data may be shared with the following organisations:

- Awarding bodies
- Joint Council for Qualifications
- DfE, Local Authority, RCT MAT, the press

This data may be shared via one or more of the following methods:

- hard copy
- email
- secure extranet site(s) e.g. eAQA; OCR Interchange; Pearson Edexcel Online; WJEC Secure services
- Facility Management Information System (MIS) provided by Advance Learning - sending/receiving information via electronic data interchange (EDI) using A2C (<https://www.jcq.org.uk/about-a2c>) to/from awarding body processing systems

This data may relate to exam entries, access arrangements, the conduct of exams and non-examination assessments, special consideration requests and exam results/post-results/certificate information.

Section 2 – Informing candidates of the information held

Carre's Grammar School ensures that candidates are fully aware of the information and data held.

All candidates are:

- informed via centre examination student handbook

- given access to this policy via centre examination student handbook

Section 3 – Hardware and software

IT hardware, software and access to online systems is protected in line with DPA & GDPR requirements.

Section 4 – Dealing with data breaches

Although data is handled in line with DPA/GDPR regulations, a data breach may occur for any of the following reasons:

- loss or theft of data or equipment on which data is stored
- inappropriate access controls allowing unauthorised use
- equipment failure
- human error
- unforeseen circumstances such as a fire or flood
- hacking attack
- 'blagging' offences where information is obtained by deceiving the organisation who holds it

If a data protection breach is identified, the following steps will be taken:

1. Containment and recovery

The school's Data Protection Officer will lead on investigating the breach.

It will be established:

- who needs to be made aware of the breach and inform them of what they are expected to do to assist in the containment exercise. This may include isolating or closing a compromised section of the network, finding a lost piece of equipment and/or changing the access codes
- whether there is anything that can be done to recover any losses and limit the damage the breach can cause. As well as the physical recovery of equipment, this could involve the use of back-up hardware to restore lost or damaged data or ensuring that staff recognise when someone tries to use stolen data to access accounts
- which authorities, if relevant, need to be informed

2. Assessment of ongoing risk

The following points will be considered in assessing the ongoing risk of the data breach:

- what type of data is involved?
- how sensitive is it?
- if data has been lost or stolen, are there any protections in place such as encryption?
- what has happened to the data? If data has been stolen, it could be used for purposes which are harmful to the individuals to whom the data relates; if it has been damaged, this poses a different type and level of risk
- regardless of what has happened to the data, what could the data tell a third party about the individual?
- how many individuals' personal data are affected by the breach?
- who are the individuals whose data has been breached?
- what harm can come to those individuals?
- are there wider consequences to consider such as a loss of public confidence in an important service we provide?

3. Notification of breach

Notification will take place to enable individuals who may have been affected to take steps to protect themselves or to allow the appropriate regulatory bodies to perform their functions, provide advice and deal with complaints.

4. Evaluation and response

Once a data breach has been resolved, a full investigation of the incident will take place. This will include:

- reviewing what data is held and where and how it is stored
- identifying where risks and weak points in security measures lie (for example, use of portable storage devices or access to public networks)
- reviewing methods of data sharing and transmission
- increasing staff awareness of data security and filling gaps through training or tailored advice
- reviewing contingency plans

Section 5 – Candidate information, audit and protection measures

For the purposes of this policy, all candidates' exam-related information – even that not considered personal or sensitive under the DPA/GDPR – will be handled in line with DPA/GDPR guidelines.

An information audit is conducted every 3 years.

Protection measures may include:

- password protected area on the centre's intranet
- secure drive accessible only to selected staff
- information held in secure area

Section 6 – Data retention periods

Details of retention periods, the actions taken at the end of the retention period and method of disposal are contained in the centre's archiving policy contained in the GDPR policy.

Section 7 – Access to information

Current and former candidates can request access to the information/data held on them by making a **subject access request** to the Data Protection Officer in writing/email. The person's ID will need to be confirmed if a former candidate is unknown to current staff. All requests will be dealt with within 40 calendar days.

Third party access

Permission should be obtained before requesting personal information on another individual from a third-party organisation.

Candidates' personal data will not be shared with a third party, unless a request is accompanied with permission from the candidate and appropriate evidence (where relevant), to verify the ID of both parties, is provided.

In the case of looked-after children or those in care, agreements may already be in place for information to be shared with the relevant authorities (for example, the Local Authority). The centre's Data Protection Officer will confirm the status of these agreements and approve/reject any requests.

Section 8 – Table recording candidate exams-related information held

For details of how to request access to information held, refer to section 7 of this policy (**Access to information**)

For further details of how long information is held, refer to section 6 of this policy (**Data retention periods**)

Lockdown policy (exams)

Purpose of the policy

This policy details the measures taken at Carre's Grammar School in the event of a centre lockdown during the conducting of examinations.

A lockdown may be required in the following situations:

- an incident or civil disturbance in the local community which poses a risk
- an intruder on the site with the potential to pose a risk
- local risk of air pollution, such as a smoke plume or gas cloud
- a major fire in the vicinity
- a dangerous animal roaming loose
- any other external or internal incident which has the potential to pose a threat to the safety of exams staff and candidates

Carre's Grammar School has devised lockdown procedures after consulting GOV.UK's Developing Dynamic Lockdown Procedures guidance.

With regard to conducting examinations, the focus before, during and after an exam will be:

- the welfare and safety of exam candidates and centre staff engaged in the conducting of examinations
- maintaining the integrity and security of the examinations/assessments process
- how to achieve an effective lockdown
- how to let people know what's happening
- training staff engaged/involved in the conducting of examinations
- STAY SAFE principles (Run, Hide, Tell)

Roles and responsibilities

Head of centre

- To ensure that a dedicated lockdown alarm tone is in place and recognised by all staff and candidates
- To ensure that all staff involved in the conducting of examinations are trained in how to raise the alarm for a lockdown, act effectively and made aware of their responsibilities
- To arrange appropriate training for all exams-related staff in lockdown procedures
- To ensure that candidates are aware of the procedures relating to a lockdown, particularly those arriving late for an examination who cannot access the exam room due it being locked down
- To ensure that all candidates and staff are aware of an exit point in case an intruder manages to gain access, or the room becomes unsafe
- To provide written lockdown procedures for exam room/invigilator use
- To inform the relevant Emergency Services immediately in the case of any potential threat to the safety of exams staff and candidates

Senior leadership team (SLT)

- To have accountability for all exams staff and candidates taking examinations during a lockdown
- To run training/drills for examination candidates on lockdown procedures

- To inform parents/carers about the centre's Lockdown policy in relation to the conducting of examinations
- To have a presence around exam room areas prior to the start of each exam session
- To liaise with the appropriate authorities and awarding bodies regarding candidates taking examinations during a lockdown
- To use the exam room attendance register(s) to compile a list of all candidates not accounted for

Exams officer

- To train invigilators in the centre's lockdown procedure
- Where safe/possible, to liaise with SLT/invigilators in all exam rooms during a lockdown
- To assist with Lockdown training for staff and students where applicable to the conducting of examinations

Invigilators

- To be aware of the centre's lockdown procedure
- To complete attendance registers as soon as possible so candidates can be identified in the event of a lockdown
- Where safe/possible, to communicate with the exams officer during a lockdown to confirm the situation in a particular exam room

Lockdown procedure

Before an examination

If a lockdown is required as candidates are entering/waiting to enter the exam room, the following procedure will be employed:

- A member of SLT will be present around exam room areas
- Candidates will be instructed to enter the exam room immediately
- Candidates will be instructed to remain silent, hide under exam desks or sit against a wall/around a corner but not near the door
- Where safe/possible, the SLT member will communicate (via mobile phone) the situation to the exams officer (ensuring that all mobile phones are on 'silent' mode)
- The exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- Invigilators will
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room
 - take an attendance register/head count if possible
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room

During an examination

If a lockdown is required during the exam/when candidates are in the exam room, the following procedure will be employed:

- Invigilators will:
 - tell candidates to stop writing immediately and turn their papers over.
 - collect the attendance register
 - make a note of time when the examination was suspended
 - instruct candidates to remain silent, leave all examination materials on their desks and hide under exam desk
 - where safe/possible, communicate (via mobile phone) the situation to the exams officer (ensuring that all mobile phones are on 'silent' mode).
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services
- If appropriate, where safe/possible, and following centre policy, the exams officer (or invigilators in the absence of the exams officer) will initiate the emergency evacuation procedure
- The exams officer will collect all examination papers and materials for safe/secure storage following advice from the appropriate awarding bodies

After an examination

If a lockdown is required after the exam/as candidates are leaving the exam room, the following procedure will be employed:

- Invigilators will:
 - stop dismissing candidates from the exam room
 - instruct candidates who have left the room to re-enter the exam room
 - instruct candidates to remain silent and hide under examination tables
 - where safe/possible, communicate (via mobile phone) the situation to the exams officer (ensuring that all mobile phones are on 'silent' mode).
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the exam room
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately

Ending a lockdown

- The lockdown will be ended by either
 - the sound of a defined alarm or
 - the identification/authorisation of Emergency Service officers/SLT/head of centre entering each exam room

- A specific word or phrase may be used to confirm that the instruction to end the lockdown is genuine
- Invigilators will undertake a head count/register and confirm attendance with the exams officer/SLT
- Where applicable and if advised to do so by SLT/ head of centre, and following JCQ guidelines, if there is sufficient time remaining, candidates may restart their examination
- Invigilators will then:
 - ask candidates to return to their desks, remind them they are under exam conditions and allow a settling down period
 - recalculate the revised finish time(s) to allow for the full exam time
 - tell the candidates to turn their papers over and re-start their exam
 - amend the revised finish time(s) on display to candidates
 - note how long the lockdown lasted on the exam room incident log (to later inform a report to the awarding bodies and where relevant, any centre-wide lockdown recording form/log)
- The exams officer will
 - provide a report of the incident for awarding bodies (via the special consideration process or as advised by awarding bodies)
 - safely/securely store all collected exam papers and materials pending awarding body advice/guidance
- Where applicable/possible/available, SLT/exams officer will
 - negotiate any alternative exam sittings with the awarding bodies
 - offer, arrange and provide support services to staff and candidates
- At the earliest opportunity, SLT/head of centre will prepare a communication to parents/carers advising them of events (including relevant actions and outcomes)
- Where possible, exams staff and candidates will be invited to attend an assembly lead by the head of centre to discuss the lockdown and offer ongoing support
 - If this is not possible, communications will be provided via a centre text/email/newsletter and information uploaded to the centre website

Carre's Grammar School BTEC Appeals Policy Appeals Policy

Aims

- To enable the learner to enquire, question or appeal against an assessment decision
- To attempt to reach agreement between the learner and the Assessor at the earliest opportunity
- To standardise and record any appeal to ensure openness and fairness
- To facilitate a learner's ultimate right of appeal to the Awarding Body, where appropriate
- To protect the interests of all learners and the integrity of the qualification.

In order to do this, the centre will:

- inform the learner at induction, of the Appeals Policy and procedure
- record, track and validate any appeal
- forward the appeal to the Awarding Body when a learner considers that a decision continues to disadvantage her/him after the internal appeals process has been exhausted
- keep appeals records for inspection by the Awarding Body for a minimum of 18 months
- have a staged appeals procedure (see below)
- will take appropriate action to protect the interests of other learners and the integrity of the qualification, when the outcome of an appeal questions the validity of other results
- monitor appeals to inform quality improvement.

Staged Process

- Learner may ask the assessor to assess their work again if they think has been inaccurately assessed.
- If a learner is still unhappy with the assessment decision, a second member of staff will assess the work.
- If the second assessor upholds to accuracy of the initial decision, the initial outcome will be confirmed. If the second assessor disagrees with the initial assessment decision, it will be amended and the new decision recorded.

Carre's Grammar School BTEC Sport Assessment Policy

Assessment and grading

The Assessor should decide when the learner is suitably prepared to undertake the assessment. Once learners are working on assignments which will be submitted for assessment, it is essential they work independently to produce and prepare evidence for assessment.

Before commencing an assessment, the Assessor should take care to ensure each learner understands:

- the assessment requirements
- the nature of the evidence they need to produce
- the importance of time management and meeting deadlines.

Submission of evidence

Only one submission is allowed for each assignment. The Assessor is expected to formally record the assessment result and confirm the achievement of specific assessment criteria.

Assessing Unit Content

The learner must have the opportunity within the delivery of the unit to cover all of the unit content. It is not a requirement of the unit specification that all of the content is assessed. However, the indicative content will need to be covered in a programme of learning in order for learners to be able to meet the standard determined in the assessment and grading criteria. The merit and distinction grading criteria enable the learner to achieve higher levels of performance in acquisition of knowledge, understanding and skills.

Professional judgement will always be required but the following principles apply to all BTEC programmes:

A centre is expected to deliver (i.e. 'teach') the unit content fully. You must cover all the elements of content, apart from anything preceded by 'e.g.' which is merely an example of what you may choose to cover.

A learner is not required to provide evidence for all the unit content, but is required to provide sufficient evidence to address the assessment & grading criteria in order to successfully achieve the unit.

Each learner should submit:

- Evidence towards the targeted assessment criteria
- A signed and dated declaration of authenticity with each assignment which confirms they have produced the evidence themselves.

The assessor should then:

- Formally record and confirm the achievement of specific assessment criteria.
- Complete a confirmation that the evidence they have assessed is authentic and is the learner's own work.

Before your learners start an assessment, you should:

- Be confident they are sufficiently prepared to undertake assessment
- Encourage them to aim at “getting it right” on first submission so they are not relying on a repeat submission or retake. This should help learners develop responsibility for their own achievement and prepare them for the world of work or Higher Education.

Opportunities for resubmission of evidence

Because every assignment contributes towards the final qualification grade, learners are allowed one resubmission of evidence for each assignment.

Our Lead Internal Verifier can authorise a resubmission which ensures any re-submissions are fairly and consistently implemented for all learners.

When can a Lead Internal Verifier authorise a resubmission?

The Lead Internal Verifier can only authorise a resubmission if all of the following conditions are met:

The learner has met initial deadlines set in the assignment, or has met an agreed deadline extension. The Assessor judges that the learner will be able to provide improved evidence without further guidance. The Assessor has authenticated the evidence submitted for assessment and the evidence is accompanied by a signed-and-dated declaration of authenticity by the learner.

Procedure for resubmission of evidence

If the Lead Internal Verifier does authorise a resubmission, there is a clear, simple procedure which will be applied consistently across all learners and centres.

Forms and deadlines

If the Lead Internal Verifier does authorise a resubmission, it must be:

Recorded on the assessment record and given a deadline for resubmission within 15 working days of the learner receiving the results of the assessment. It must be undertaken by the learner with no further guidance.

Carre's Grammar School Internal Verification Policy

Internal verification of Assignment Briefs

The Internal Verifier should check that the assignment brief:

- has accurate unit and programme details
- has clear deadlines for assessment
- shows all relevant assessment criteria for the unit(s) covered in the assignment
- indicates relevant assessment criteria targeted against each task
- clearly states what evidence the learner needs to provide
- is likely to generate evidence which is appropriate and sufficient
- is set at the appropriate level
- has a time period of appropriate duration
- uses suitable vocational language
- has a clear presentation format.

If you plan to re-use an assignment from the previous academic year, you should check that dates and deadlines are updated and that the assignment is appropriate for the new group of learners.

Pearson Authorised Assignment Briefs (AABs) should be internally verified to check the dates and deadlines are appropriate.

Giving feedback to the Assessor

Internal Verifiers should use the feedback section on the form to provide advice and guidance to the Assessor. If an action is identified by the Internal Verifier, the Assessor should complete this and return it to the Internal Verifier for sign off prior to an Assignment being issued to learners. Internal Verifiers should provide feedback that makes any actions clear, using SMART principles. Good practice should be commented on.

Timing

Assignment briefs are expected to be internally verified, with any issues addressed, before being distributed to learners.

Internal verification of assessment decisions

The internal verification sample

During the course of the programme, sampling from Assessors should cover the following as a minimum:

- every Assessor
- every unit
- work from every assignment
- every assessment site (for multi-site centres).

There is not a requirement that all learners must have been internally verified during the lifetime of a programme. If following a review of the sample there are any assessment concerns, the sample can be reselected. For example, if the group has been awarded high grades we may choose to increase the number of learners sampled at this grade.

There is no prescribed sample size but a well-constructed sample should consider:

- the full range of assessment decisions made: pass, merit, distinction criteria, and not yet achieved, should all be included in the sample if possible
- the experience of the Assessor: new or inexperienced Assessors should have more work internally verified than an experienced Assessor
- new BTEC programmes: when a unit or programme is first introduced, the sample should be increased
- the size of the group of learners
- known issues with internal verification: these may have been identified previously

Resources needed

- the unit specification
- the assignment brief
- assessed learner work and accompanying assessment record
- internal verification of assessment decisions form.

The internal verification of assessment decisions

Process

The Internal Verifier reviews the Assessor's judgements against the learning aim, unit content, assessment criteria and assessment guidance as published in the qualification specification. It is advisable for them to check:

- the learner work against the assessment criteria and judge whether it has been assessed accurately.
- the assessment criteria. This represents the national standard and all BTEC learners are measured against it
- coverage of the unit content in conjunction with the assessment guidance to see if the Assessor has taken this into account. It is not a requirement of the unit specification that all of the content is assessed. However, the indicative content will need to be covered in a programme of learning in order for learners to be able to meet the standard determined in the assessment and grading criteria.
- the feedback from Assessor to learner is accurate and linked to the assessment criteria

Timing

For internal verification of assessment decisions to take place, learner work must have been formally assessed. Internal verification must take place before learners receive confirmation of their achievement and feedback. If any inaccuracies are identified by the Internal Verifier, these can be corrected by the Assessor before results are made known to learners. When issues are identified by the Internal Verifier, if appropriate these should be applied across the group.

Internally verifying resubmissions

If a request for a resubmission is made and providing there have been no issues with the Assessor's decisions at the first submission stage, then the resubmission does not need to be internally verified. Completing best practice internal verification at the first submission stage should avoid issues around resubmission.

Carre's Grammar School BTEC Sport Registration and Claims Policy

Registrations

The course leader is responsible for ensuring BTEC students are enrolled on the correct BTEC programme. Registrations will be completed using class registers from eportal (MIS). Registrations will be completed in the Autumn Term.

Registrations will be made by the Exams Officer and checked and approved by the course leader.

Amending Registrations

It is the responsibility of the course leader to ensure that any changes to registrations are made by the Exams Officer.

Claims

It is the responsibility of the course leader and the Lead Internal Verifier to ensure that all unit grades have been appropriately completed by assessors and accurately recorded. The course leader and the Exams Officer will claim the results together with individual unit grades checked against internal records.

Certificates

Certificates will be checked against internal records as a final check that claims are accurate.

Assessment Records

All assessment records are stored electronically for a minimum of 10 years. Students' individual work is stored until the January of the year following claims being made to ensure that work is available for external scrutiny.

Carre's Grammar School BTEC Appeals Policy

Aim:

- To identify and minimise the risk of malpractice by staff or learners
- To respond to any incident of alleged malpractice promptly and objectively
- To standardise and record any investigation of malpractice to ensure openness and fairness
- To impose appropriate penalties and/or sanctions on learners or staff where Incidents (or attempted incidents) of malpractice are proven
- To protect the integrity of this centre and BTEC qualifications.

In order to do this, the centre will:

- seek to avoid potential malpractice by using the induction period and the learner handbook to inform learners of the centre's policy on malpractice and the penalties for attempted and actual incidents of malpractice
- show learners the appropriate formats to record cited texts and other materials or information sources
- ask learners to declare that their work is their own
- ask learners to provide evidence that they have interpreted and synthesised appropriate information and acknowledged any sources used
- conduct an investigation in a form commensurate with the nature of the malpractice allegation. Such an investigation will be supported by the Head of Centre and all personnel linked to the allegation. It will proceed through the following stages:
- make the individual fully aware at the earliest opportunity of the nature of the alleged malpractice and of the possible consequences should malpractice be proven
- give the individual the opportunity to respond to the allegations made
- inform the individual of the avenues for appealing against any judgment made
- document all stages of any investigation.
- Where malpractice is proven, this centre may apply the following penalties / sanctions:
- Withdrawal from all examinations
- Withdrawal from the Named BTEC Examination
- Cancellation of the Unit
- Cancellation of the Assignment
- Repeat of the assignment
- **Definition of Malpractice by Learners**
- This list is not exhaustive and other instances of malpractice may be considered by this centre at its discretion:
- plagiarism of any nature
- collusion by working collaboratively with other learners to produce work that is submitted as individual learner work
- copying (including the use of ICT to aid copying)
- deliberate destruction of another's work
- fabrication of results or evidence
- false declaration of authenticity in relation to the contents of a portfolio or coursework
- impersonation by pretending to be someone else in order to produce the work for another or arranging for another to take one's place in an assessment/examination/test.

Definition of Malpractice by Centre Staff

- This list is not exhaustive and other instances of malpractice may be considered by this centre at its discretion:
- improper assistance to candidates

- inventing or changing marks for internally assessed work (coursework or portfolio evidence) where there is insufficient evidence of the candidates' achievement to justify the marks given or assessment decisions made
- failure to keep candidate coursework/portfolios of evidence secure
- fraudulent claims for certificates
- inappropriate retention of certificates
- assisting learners in the production of work for assessment, where the support has the potential to influence the outcomes of assessment, for example where the assistance involves centre staff producing work for the learner
- producing falsified witness statements, for example for evidence the learner has not generated
- allowing evidence, which is known by the staff member not to be the learner's own, to be included in a learner's assignment/task/portfolio/coursework
- facilitating and allowing impersonation
- misusing the conditions for special learner requirements, for example where learners are permitted support, such as an amanuensis, this is permissible up to the point where the support has the potential to influence the outcome of the assessment
- falsifying records/certificates, for example by alteration, substitution, or by fraud
- fraudulent certificate claims

Action - Candidate malpractice

If a member of staff discovers any irregularity in the internally assessed components of examinations before a candidate has signed the declaration of authentication, they don't need to report this to Pearson. Instead, they may decline to accept the work for assessment purposes. If they discover an irregularity after a candidate has signed the declaration of authentication, or they suspect any malpractice by a candidate during an examination, they must submit full details of the case to Pearson at the earliest opportunity by emailing a JCQ Form M1 with supporting documentation to pqsmalpractice@pearson.com.

Staff malpractice

If a member of staff suspects that a member of staff has committed malpractice or that maladministration of the qualification may have occurred, they must let Pearson know by emailing a completed JCQ M2a Form to pqsmalpractice@pearson.com. They must also inform the Head of Department too.
