

Carre's Grammar School Sixth Form Admissions Policy 2017

This admissions policy applies to students seeking admission to Year 12 at Carre's Grammar School and covers admission into Year 13 for those wishing to complete their studies at the school.

The majority of our students in Year 11 continue with their studies into our Sixth Form.

Admission to Year 12

All offers of a place in Year 12 will be made on condition of students meeting the school entry requirements laid out below.

We offer two pathways in the Sixth Form:

- The requirements for students who wish to study 3 A levels are 5 GCSE's at A* - B. In addition students should have achieved grade C in both English Language and Mathematics, plus the minimum entry requirements specified by the subject of their choice, as published on the website in the Autumn Term. We may also require a supportive reference confirming suitability for the student's selected pathway.
- The minimum entry requirements for students who wish to study BTEC qualifications or a mix of BTEC qualifications and Applied A levels is 5 GCSEs at A* - C, plus the minimum entry requirements specified by the subject of their choice, as published on the website in the Autumn Term. We may also require a supportive reference confirming suitability for the student's selected pathway.

Students will only be admitted to the Sixth Form if their courses can be efficiently and effectively provided. The governors need to consider the use of rooms, the curriculum, budget and staffing when considering the number and types of courses that can be offered.

We welcome applications from students attending other schools and institutions and have set a Published Admission Number of 20. Male and female students will be admitted without bias.

Where students applying to the Sixth Form at Carre's Grammar School do not have GCSEs their other formal equivalent qualifications will be considered on a case-by-case basis. Student qualifications will be considered along with other information provided by the student's current school, in an attempt to make a fair assessment of the application.

The over-subscription criteria:

- A child who is in the care of a local authority or provided with accommodation by them in accordance with Section 22 of the Children Act 1989, at the time of application. This definition includes previously looked after children who were looked after, but ceased to be so because they were adopted, or became subject to a residence order or special guardianship order.
- A student whose parent(s) has/have been employed at Carre's Grammar School for two or more years at the time of application, or is/are recruited to fill a vacant post for which there is a demonstrable skill shortage.

- Students who, at the time of admission, have siblings at Carre's Grammar School. The definition of sibling is 'a full brother or sister, whether or not living in the same household, or another child normally living for the majority of the term time in the same household, for whom an adult in the household has parental responsibility as defined in the Children Act 1989 or Section 576 of the Education Act 1996'.

Tie Break

Should the number of applicants exceed the number of places available, then places will be offered to those applicants whose place of permanent residence is nearest to the school. This will be by driving distance as measured electronically along public highways using the post office address point of the home to the post office address point of the school.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be drawn by an independent person, not employed by the school or working in the Local Authority of Children' Services Directorate.

Admissions Process Year 12

Students applying for a place in year 12 will be invited to attend the Sixth Form Open Evening, an annual event at the school held at a specified date in the autumn term.

Applications for Year 12 must be completed using the common application form, addressed to the Sixth Form Administrator, by the date specified by the school (check the website for details). Applications received after this deadline will be considered, but students should be aware that some subjects may be over-subscribed.

For internal applicants, all offers of a place in Year 12 will be made in the Autumn Term on condition of students meeting the school entry requirements above. The Head of Sixth Form will seek feedback from subject teachers to check suitability for students' course choices. Each student will be offered a meeting with a member of staff within the school to discuss their chosen learning pathway and ongoing studies within the school.

For external applicants, a letter will be sent to the applicant confirming the decision made regarding a place in Year 12 in the Autumn Term. All offers of a place in Year 12 will be made on condition of students meeting the school entry requirements above. A reference from their previous school will be sought to check suitability for their selected pathway and their preferred subject choices. Students will be invited to discuss their preferred learning pathways and course choices.

Guidance will be given to students who wish to consider a change of subject following receipt of GCSE results.

Admission to Year 13

The majority of students in Year 12 continue with their studies into Year 13, dependent upon the entry criteria outlined below. External students may be admitted, dependent upon the entry criteria outlined below and places becoming available following application of our over-subscription criteria.

All offers of a place in Year 13 will be made on condition of students meeting the school entry requirements as follows:

- All students wishing to progress in their Advanced Level courses in Year 13 should ideally achieve a grade D or better in each of their chosen A level subjects of study following receipt of the summer results. Students who do not achieve this may be asked to leave the course.
- Supportive comments from relevant subject teachers confirming suitability for continued study at advanced level.

Admissions Process Year 13

Following receipt of summer examination results students who have met the entry requirement above, and whose behaviour and attendance have been satisfactory, are automatically offered a place in Year 13 to continue their studies.

Students who do not meet the entry requirement into Year 13 will be given guidance about a change of pathway and relevant courses available.

Appeals

Any difficulties about access to a particular course or the Sixth Form in general should be discussed with the Director of Sixth Form. If it is not possible to find a solution then the student and their family will be advised of the formal appeal process, which is an independent body separate from the school.
