Carre's Grammar School Pupil premium strategy statement

1. Summary information							
School	School Carre's Grammar School						
Academic Year	2020-21	Total PP budget £30,995 Date of most recent PP Review Dec 2020					
Total number of pupils	789	Number of pupils eligible for PP (includes Ever 6)	31	Date for next internal review of this strategy	Dec 2021		

2. Attainment of 2020 Year 11 cohort – based on CAGs due to cancellation of 2020 exams							
		Pupils eligible for PP (your school)	Pupils not eligible for PP (national average)				
% Grad	de 5+ in English and Maths	100	97				
Progre	ess 8 score average	0.7	0.6				
Attainr	ment 8 score average	6.8	6.8				
Englis	h Baccalaureate Average Point Score	6.5	6.5				
% ente	% entering the English Baccalaureate 78 77						
3. Ba	3. Barriers to future attainment (for pupils eligible for PP)						
In-sch	ool barriers (issues to be addressed in school, such as poor literac	y skills)					
A.	Low aspiration / perception of selves as less able within a selective	e setting					
B.	Lower self confidence and less academic and pastoral resilience	(at KS4&5 sometimes leadin	g to less ambitious future study choices)				
C.	Personal organisation/study skills less secure						
Extern	External barriers (issues which also require action outside school, such as low attendance rates)						
D.	D. Less experience of travel/higher education experience within family setting/ extra curricular participation						
E.	E. Access to selective school education requires purchase of expensive travel pass for families living outside the town						

4. D	esired outcomes (desired outcomes and how they will be measured)	Success criteria
A.	Able students from Sleaford and surrounding areas participate in 11+ process regardless of background and are not put off by expenses (e.g. cost of L.A. bus pass) Disadvantaged students make (and perceive they are making) good progress	Registration for 11+ by PP students PAN of 120 in Year 7 2021 including PP students Pupil Voice surveys of Disadvantaged students show positive attitudes to school and learning
В.	Disadvantaged students feel well supported in their learning both in lessons and outside	Parents and students feel empowered to make ambitious decisions about post 16 or post 18 study routes. Predicted grades and outcomes show progress in line with 'others'.
C.	Learning Support team support students to close the gap in achievement and support them with demands of homework, non-examined assessment and examination preparation	PP and 'Other students' progress gap closed and P8 score is positive in 2021
D.	Destinations show disadvantaged students applying for Higher Education courses	Destination data for PP students is in line with 'others'

5. Planned expenditure

Academic year 2020-21

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
PP students sit 11+, undertake familiarisation tasks, and apply for place at CGS	Disadvantaged students are high in oversubscription criteria in admissions policy Local 11+ Roadshows aim to engage and inform parents of disadvantaged students	Admissions data, information from county admissions team, anecdotal from prospective parents on open days all suggest disadvantaged students' parents may be put off seeking a place at CGS due to the high cost travel costs for studying at CGS or erroneously believe the cost of coming to CGS may be more expensive than being educated elsewhere	Offer of in school 11+ familiarisation mornings Resources: NFER papers Staff costs for 1 X 2 hour Saturday session in June Staff time for 4 x 2 hour roadshows (Head of School, Administrator)	Head of School	Annually based on review of admissions data and as part of our admission policy review

PP students' progress exceeds that nationally of 'other' students AND, over 3 year trend, is largely in line with the progress of 'other' CGS students	Improve the effectiveness of intervention and academic mentoring by means of supervised study sessions for students with reduced curriculums and through identification of 'nurture' students with alternative curriculum offer.	Research into effective CPD suggests that staff working together over a period of time to examine effective classroom strategies is the most effective for staff development.	Resources: Staff coaching programmes and costed provision of cover for peer observation Support staff time in administrating and monitoring supervised study sessions	Head of School (CPPD role) Deputy Head - oversight of intervention in Learning Support and	As part of termly line link meetings and review of progress towards targets in Department Development Plans and whole school development plans as well as at interim teaching staff Appraisals reviews in March
	Facilitate outstanding teaching and learning through staff coaching programme and Teaching and Learning Communities sessions on 'Planning For Learning' and 'Planning For Assessment'.		Learning Mentor hours	monitoring through use of student data	
			Total b	udgeted cost	£9298.50

II.	Targeted	support

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Disadvantaged students ake part in a rich programme of extracurricular and cocurricular activities	Contributions towards music tuition Contribution to subsistence costs during residential visits	Participation which promotes subject knowledge and interest and broadens interests and life experiences is proven to lead to more aspirational life choices in the	Monitor uptake. Communicate opportunities to all parents (including £100 financial support fund per year per PP student to claim)	Head of School Finance Director	September 2021 September 2021
Total Tig Total Tig	or the cost of non- residential curriculum trips	future.	Allocated budget for wider educational experiences including E.g. peripatetic music lessons, travel contributions for school visits	Finance Director	At point of trip take up deadline
	Rich offer of extra- curricular clubs. Targeted		Pastoral and Academic mentoring support is available to students through the Learning Support and pastoral mentoring teams		
	disadvantaged students have priority access to 1:1 impartial careers advice		Outside careers advisor offers at least 1 1:1 careers interview to all Year 11, 12 and 13 Disadvantaged students. These students prioritised in schedule	i/c Careers	
Disadvantaged students make aspirational plans or post 16 and post 18 study/apprenticeships or raining positions	Pastoral support including academic mentoring available to Disadvantaged students who are not meeting minimum expected progress targets.	Disadvantaged students are more likely to be first generation undergraduates. By their very nature as able students in a selective school, level 3 and then university education is a realistic aim.	Resources: Educational Visits budget FTE 3.8 learning mentors and pastoral team staff Careers 1:1 interviews for Yr 10 PP and 11 students Pupil Premium support fund for parents to claim directly from		September 2021

6. Review of expenditure £30,905					
Previous Academic Year		2019-20			
i. Quality of teaching fo	r all and ii Targeted su	ipport			
Desired outcome	Chosen action / approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Actual Cost £9,000	
PP students sit 11+, undertake familiarisation tasks, and apply for place at CGS	Disadvantaged students are high in oversubscription criteria in admissions policy. Disadvantaged students who meet the standard set by the Lincolnshire consortium of Grammar Schools can be confident of gaining a place at the school. Local 11+ Roadshows aim to engage and inform parents of disadvantaged students Frog software to build confidence of students in tackling 11+ questions	The number of PP students in the school was broadly maintained Additional introduction of 11+information evenings x 4 held with associated time costs of Head of School and admissions manager	Settling in and parent surveys show parental appreciation of this information No increase in number of applications overall seen by either school. Awareness raised but limited impact perhaps so far perhaps.	NFER papers for pupil premium students Cost of implementing Frog Additional time costs of 11+ roadshows	

PP students' progress exceeds Improve the Intervention effective leading to some We were delighted with the progress Staff coaching strong Progress scores for many students made by PP students in year 11 who that nationally of 'other' effectiveness of programmes and achieved P8 scores of +0.7 including PP students. students AND, as over 3 year costed provision of intervention and trend, is in line with the cover for peer academic mentoring by progress of 'other' CGS means of supervised Pupil progress meetings led by Senior observation study sessions for Links now embedded in school meetings students students with reduced schedule and culture. All students' curriculums and through progress is regularly reviewed at classroom teacher, subject leader and identification of 'nurture' students with alternative whole school level with a focus on PP curriculum offer. each time. A development worth the focus. Facilitate outstanding teaching and learning 5 lead coaches now trained and cascading training to other staff. through staff coaching programme and Teaching and Learning PP students now a focus for QA – student Communities sessions voice interviews ensure inclusion of PP on 'Planning For students Learning' and 'Planning For Assessment'. Subject Leader ensure pupil premium students' progress is monitored specifically as part of the departmental and whole school pupil progress review systems. SLT and HoDs consider barriers in the classroom to PP progress and recommend strategies to department teams via staff coaching programme and CPPD events

Desired outcome	Chosen action /	Estimated impact: Did you meet	Lessons learned	Actual Cost
	approach	the success criteria? Include impact on pupils not eligible for PP, if appropriate.	(and whether you will continue with this approach)	£15,905
PP students' progress exceeds that nationally of 'other' students AND is in line with the progress of 'other' CGS students	Employ learning mentors and pastoral support who offer 1:1 and small group work throughout the year Embed assessment tracking systems that enable us monitor progress Resources required • 2.8 FTE x Learning mentors • Go 4 Schools software • CAT parental reports for Yr 7	Highly impactful especially considering the trend over 5 years. Comparisons with national data in 2020 are meaningless due to cancellation of exams and the subsequent awarding process. However, we are confident that the PP students would have achieved highly and at least in line with the other students as evidenced by the grades awarded following the CAG process.	Measurable results for students in terms of attainment and progress from KS2-4 show this is an initiative well worth the PP funding spent on it. This will be continued as the major use of our PP funding. We need to continue to focus on the achievement of our PP students (and 'other' students) in English)	2.8 FTE x Academic mentors Go 4 Schools software CAT parental reports for Yr. 7

Other approaches –
iii Funding for learning opportunities
iv Supporting the funding of events and resources that are aimed at raising broader skills levels and boosting academic outcomes and aspirations

Desired outcome	Chosen action / approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Actual Cost £6,000
Disadvantaged students take part in a rich programme of extracurricular and cocurricular activities including residential visits Disadvantaged students make aspirational plans for post 16 and post 18 study/apprenticeships or training positions	Contributions towards music tuition Contribution to subsistence costs during residential visits or the cost of non-residential curriculum trips Rich offer of extra-curricular clubs. Targeted disadvantaged students have priority access to 1:1 impartial careers advice Pastoral support including academic mentoring available to Disadvantaged students who are not meeting minimum expected progress targets.	This strategy has the most impact on broadening students' horizons and therefore will continue as part of our bid to build levels of confidence and aspiration for the future in these students. Of the 9 students in Year 11 who qualified for PP last year 7 are sitting academic programmes in the Sleaford Joint Sixth Form. PP students throughout the school have leadership roles (e.g. as librarians, in the student council, as form reps etc.) Take up for extracurricular trips and visits by PP students is at least in line with take up from other students. Reduction in number of trips/extracurricular activities resulting from COVID measures and associated school closure	This is the strategy which meets with highest parent approval. They see their child benefiting directly. We are now increasingly proactive at encouraging our PP students to take on positions of responsibility within the school	FTE 2.8 learning mentors and pastoral team staff Careers 1:1 interview for Yr 10 PP and 11 students Art and D&T materials plus subject revision guides for GCSE Peripatetic fees Costs of e.g. Field Trips in Geography, Theatre Visits. £100 per PP student available for uniform /travel
