

20 April 2020

Dear Parents and Students in Years 11 and 13

At the end of last term we wrote to you sharing information from Ofqual, the organisation which regulates qualifications, exams and tests in England. We asked you to give us time to digest that information and we thank all those parents who have done that.

Much work has been done by senior staff across the Robert Carre Trust since then using information from Ofqual, other school advisory groups, data sources and our own internal expertise and experience. We believe that we now have a rigorous system for reporting centre assessed grades in place which ensures grades awarded this year are as fair as possible for all our students.

A fact sheet detailing this process is now available via the parent link and student link of our website's school closure page. We hope this will address any questions you have. We have also provided answers to some anticipated Frequently Asked Questions (FAQs). Please do have a read of these before contacting us.

Any further queries must be addressed to enquiries@carres.uk rather than individual staff or subject leaders. We will do our best to ensure the best placed person will answer them.

Yours faithfully

N M Law
Headteacher
