Dear Parent/Carer

**Year 8 Swimming 2017-18**

In 2017-18 all students in Year 8 will be timetabled for a block of swimming lessons. As a school we are conscious of ever increasing expenses, but we are keen that swimming lessons continue due to the huge benefit to the students. We therefore please seek your assistance in terms of a contribution towards the cost at **£25** per student for the academic year 2017-18. This will appear on your ParentPay account.

Under the requirements of the Education Reform Act 1988 we can only raise the cost of this activity by voluntary contributions. However, this activity can only continue if the level of support is sufficient. Please fill in and return the slip below to indicate whether you are willing to contribute and the amount of your contribution.

The Leisure Centre stipulates that everyone with long hair must wear a swimming cap and it is advised that everybody wears goggles. Both items can be purchased at the pool or from most sports shops. Swimming shorts are permitted, but must not be lower than the knee.

Thank you for your assistance in this matter.

Yours faithfully

**Mr M Wilson**  
Head of Physical Education
