Dear Parent/Carer

Extended Project Qualification (EPQ) Research Opportunity

We have been given the opportunity to take forty Year 12 EPQ students to Lincoln University to use their library and research facilities. The University offers students the chance to research, access and download academic journals and books that they would otherwise struggle to get for free.

The day starts, on **Tuesday 12 February**, at 10.20am at Lincoln University's Brayford Campus and finishes at 2.30pm. There is no cost for the trip; however, students are expected to make their own travel arrangements to and from Lincoln.

A map of the university has been attached to this letter. Student will be expected to meet me outside the main entrance of building 16 (the library) at 10.20am. We will then, as a group, go in and be instructed on how to use the facilities and given a computer room for the day. Students can either bring their own lunch or use the university facilities or local shops to purchase lunch.

Due to restricted numbers able to use the facilities, places will be allocated on a first come first served basis. Please complete and return the slip below to give your son/daughter permission to attend.

Yours faithfully

Brendan Rooney
EPQ Coordinator
