Dear Parent/Carer

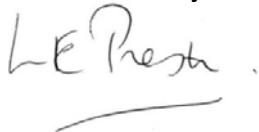

**English Language and English Literature Parent Information Evening  
Monday 19 February 2018 – 6pm in the Sixth Form Workroom**

At the end of last term your son received his mock results in English Language and Literature. As you are aware, your son's work in English will give him two GCSE qualifications in August. These qualifications are 100% examination-based, which means he must revise for four different examinations; two for English Language and two for English Literature. Consistent work at home is, therefore, necessary between now and May. The volume of content and range of skills required means that a few days of last minute revision will not be sufficient for success in these examinations.

I would like to invite you to an English Parent Information Evening on Monday 19 February. During the evening there will be information about the structure of each examination and, most importantly, ways in which your son can revise effectively for them, whilst balancing his other workload demands. There will be tips on how you can support him to fulfil his potential in this subject. There should also be an opportunity for individual questions at the end of the evening.

I hope you will be able to attend this evening. If you have any queries then please do not hesitate to contact me.

Yours faithfully

**Lucinda Preston**  
Head of English
