Dear Parent/Carer

**Year 11 Prom**

Having completed their GCSE exams, we are sure that the majority of our students will now be looking forward to the Year 11 Prom at Kelham Hall on Tuesday 10 July 2018 at 7pm. The management team at Kelham Hall has asked us to make clear some requirements in advance.

As this is a Year 11 event, there will be **NO** alcohol available on the evening; the venue will be providing security to make sure that this rule is enforced. Whilst we wish all our students to enjoy the evening, it must be made clear that anyone arriving under the influence, or in possession of, alcohol will be refused entry. Those at the venue have also made it clear that anyone arriving with bags can expect to have them checked for alcohol. The management has also stated that the site is designated non-smoking.

The Prom is due to finish at midnight but, of course, students are free to leave at any time. We hope that the event will provide a welcome end to the hectic exam period and will provide an opportunity for those few students not planning on returning to Kesteven and Sleaford High School or Carre's Grammar School to say their formal goodbyes.

Yours faithfully
