Dear Parent/Carer

I would like to offer all boys doing their French and German GCSE exams this year the possibility to attend a revision workshop on **Saturday 21 April 2018**. The session will run **from 9.30am to 1.30pm**. Whilst we recommend that your son attends, it is obviously a voluntary decision. I do feel, however, that students would benefit enormously from this session to ensure that they receive last minute help and advice just before the oral exams, so that they reach their full potential. There are 30 places available for the session.

During this session I aim to focus primarily on revision of grammar and practice for the oral exams, which will be held between **20 April and 26 April 2018**. Confirmation of individual dates and timings will follow in due course.

In addition, there will be four sessions running after school on Monday, Tuesday, Wednesday and Thursday after the Easter break. These sessions will run from **4-5pm**. **Two** will be for **French students** and **two** for **German students**. I would be very grateful if you could complete the slip below, indicating which of the two workshops your son would like to attend. You will, of course, need to make arrangements for transport to and from school at the start and the end of the relevant session.

I hope you will agree that this is a valuable opportunity for all students and would ask for your support in this matter and that you encourage your son to attend.

Please feel free to contact me if there is anything further you would like to discuss. In the meantime I would like to take this opportunity to thank you for your continued support.

Yours faithfully

Mr M Clare
