Dear Parent/Carer

As part of our continued effort to provide a safe environment for our students, I am in the process of arranging for a Police dog handler to visit school in the coming weeks. Unfortunately we are unable to specify an exact date as the dog and his handler have a very busy and unpredictable schedule and will, therefore, come into school at short notice.

As a part of the dog's visit, it will use areas of the school as a training ground for sniffing out illicit substances. We have offered this opportunity to the Police in the spirit of fostering good community relationships and so that the dog can get used to working in a range of busy environments.

If your son/daughter is allergic to, or feels that he/she may be upset or worried by the dog, please return the reply slip below by Tuesday 31 October 2018 and I will ensure that they are not in the area used.

Yours faithfully

Please return to: the school office, Carre's Grammar School, by Tuesday 31 October

Police Dog Handler

My son/daughter Form is allergic to/worried by dogs and would like to be kept away from the area in which the dog is working.
