Dear student

**David Dein 'Speaker for Schools' event**

You have been selected to attend the above event at KSHS on **Tuesday 9 October**. You will need to meet at the **fire assembly points at 2pm** so that we can walk down as a group to KSHS and be seated in plenty of time for the start of the presentation at 2.30pm. The event will be finished in time for normal school transport.

Your P4 and P5 teachers will be given advance notice of your attendance at the event. Out of courtesy, please speak to them ahead of the day so that you can find out what work (including homework) you will be missing. It is expected that you catch up in your own time and as quickly as possible.

David Dein joined the Arsenal Board in 1983 and was made Vice-Chairman in the same year. He was the man who had the foresight to bring Arsene Wenger to Arsenal in 1996 and during his reign the club won a total of 18 trophies. He also rose to Vice-Chairman of the Football Association and has served on numerous UEFA and FIFA Committees.

David Dein has been at the forefront of many of the important changes in football including the introduction of Goal Line Technology. He was also an early proponent of women's football, having been President of the hugely successful Arsenal Ladies team.

The event provides students across the Robert Carre Trust with an exciting opportunity to listen to a football entrepreneur and a successful businessman who is sure to talk about many issues of relevance to our GCSE, A-Level, CNAT and BTEC Physical Education and sport specifications.

Yours faithfully

**Mr M Wilson**  
Head of Physical Education
