Dear Parent/Carer

Carre's Grammar School Local Governing Body - Election of Parent Governor

In accordance with the Articles of Association of the Robert Carre Trust, the Local Governing Body of our school includes Parent Governors, these being parents of registered students at the school elected by such parents.

The definition of a parent is found in the Children Act 1989. In addition to the actual parents of a child, "parent" can include any person who is not a parent of a child but has parental responsibility for him or her or who has care of the child.

A vacancy for a Parent Governor has now arisen at our school as one of the existing Parent Governors has become a Community Governor. It is, therefore, necessary to hold an election.

If you are interested in being a candidate please complete the slip attached, proposed and seconded, with signatures from all three parties (nominee, proposer and seconder) and forward it to the Returning Officer at the school, or by email to Elections@robertcarretrust.uk to arrive **not later than 12 noon on Friday 3 May**. It is recommended that candidates supply a short personal statement (not more than 100 words) about themselves for circulation to voters. A copy of the relevant documentation will also be available for download on the school website and in the Governance section of www.robertcarretrust.uk.

Candidates should be aware of certain disqualification clauses relating in particular to bankruptcy and criminal convictions, see page 4. If you are in any doubt about your eligibility to stand for election please contact the Returning Officer who will be able to supply you with further details.

The main duties and responsibilities of school governors are set out overleaf. It should be noted that an elected Parent Governor is appointed for a four year term and may continue in post even though their child may have left the school part way through their four year term of office.

If there is more than one valid candidate, you will be sent voting slips and details about the electoral process via your son/daughter. The results of the election will be placed on the school website.

Any queries relating to this election should be made to me, as the Returning Officer, on Elections@robertcarretrust.uk or 07973 330765

Yours faithfully

Debbie Scott

DUTIES OF A GOVERNOR

Governors are not expected to be involved in the day-to-day management and administration of the school, rather to set strategic plans for the school and to provide the Head of School with guidance on general principles.

Whilst it is difficult to define in precise terms what all the duties of a governor are, the following are among them:

- Work as a member of the Governing Body for the best interest of the school.
- Attend the regular meetings and special meetings of the Governing Body as well as meetings of any committees to which they have been appointed.
- Become familiar with general educational issues and developments.
- Take an interest in school activities.
- Promote the school within the community.
- Be able to commit time to the duties and responsibilities of a governor.
- Be prepared to become involved in:
 - staff appointments;
 - student discipline;
 - the school curriculum;
 - monitoring the financial management of the school;
 - Health and Safety matters;
 - governor training.

Governors have an increasingly important role and attending termly meetings only is not enough. It is essential that the person appointed must have and maintain a keen interest in the work and welfare of the school. Inevitably visits must be made to see the Headteacher and what the school is doing; to play an active part in the public and social life of the school. Governors also have the task of being the immediate “lay” support for the professional staff in the school.

The Trust values the participation of parent governors – recognising that whilst voted for by parents, the role is not that of a representative of the parents. The role requires the ability to bring a wider parental perspective to the Governing Body, but taking part in collective decision making, as all governors do, according to what he/she believes to be in the best interests of all the students and the school.

Further information on school governance can be found on www.nga.org.uk and www.lincolnshiretsa.co.uk. Please also see the eligibility criteria set out on page 4.
