Dear Parent/Carer

### **Literacy Rewards Trip**

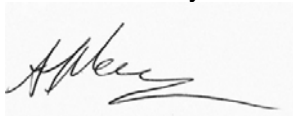

This year we are running an initiative to encourage the boys in Key Stage 3 to improve their literacy skills at school. For those boys that demonstrate a significant development in their enthusiasm and abilities in reading, writing, speaking and listening, there will be a rewards trip to the Harry Potter Studio Tour in Leavesden, Watford. The planned date for the trip is Tuesday 9 July. The cost of the trip will be approximately £31 and this will include entrance to the Studio Tour and transport to and from the venue

Boys will be nominated by their teachers across the curriculum; for example, if they have demonstrated excellent writing composition skills, or have delivered an effective oral presentation. Those who have shown enthusiasm for reading will also be considered, and this may be in showing a development in the books that they choose to read for pleasure, attendance in the LRC, or through the paired reading scheme. There will also be a passport for those boys wishing to participate. This will give the boys pointers as to what they should do to be considered for the trip.

Places on the trip will be limited to 45 students, and those students who have shown real enthusiasm for the development of their literacy skills will be invited to take part. This rewards trip will be in addition to the usual rewards trips that are organised during the summer term.

Should you require any further information about the scheme, please do not hesitate to contact me.

Yours faithfully

**Angela Morrissey**  
Learning Resource Manager
