Dear Parent/Carer

The Geography departments across the Robert Carre Trust are keen to take students abroad for an extra-curricular experience linked to their Geography A Level studies.

In the past we have organised a 4 day visit to Iceland for Year 12 and Year 13 students. Over the last 3 years these visits have become increasingly expensive as Iceland's popularity has grown. We would, therefore, like to canvas opinions as to whether this is still a viable option, or if a more affordable option of Italy would be a popular alternative. The costs below are a guide and could increase or decrease once final numbers and activities are confirmed.

	ICELAND	ITALY
APPROXIMATE COST	£1100	£700
