Dear Parent/Carer

Online Safety and Cyberbullying Presentation – 22 January 2019

I am pleased to advise that as part of our programme of Personal, Social, Health and Economic and Citizenship (PSHEC) education a one-hour performance/presentation has been booked for your son's year group on the afternoon of Tuesday 22 January 2019.

Year 7 students – Period 4 only - 1.35pm to 2.35pm

Year 8 students – Period 5 only - 2.40pm to 3.40pm

All other lessons on this date will continue as timetabled.

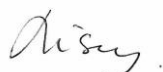

The event will be led by singer/songwriter Lewis Bootle and Carre's teaching staff will be present at all times. After a live performance by Lewis of some of his own material, there will be a presentation about online safety, cyberbullying and how these issues can impact on the mental health and wellbeing of children and young people. Students will also have the opportunity to take part in a brief Question and Answer session.

It is hoped that our PSHEC programme helps students to develop self confidence and self esteem and make informed choices regarding personal and social issues. Students will have time to reflect, consolidate and apply their learning at school but we are aware you may wish to discuss these issues with your son at home too. With this in mind, you may find material on the following websites of interest:

Yours faithfully
