Dear Parent/Carer

**India presentation - Tuesday 12 November 7pm**  
**Kesteven and Sleaford High School Hall**

Just a quick reminder that we are holding our special **India Himalayas 2021** trip presentation next Tuesday 12 November at 7pm in the Kesteven and Sleaford High School hall. This will be given by Mark Giffard-Lindsay, Global Action's Managing Director, who has lived and worked in the Himalayas for 4 years.

The India trip is a once in a lifetime experience, visiting the spectacular Taj Mahal and unprecedented access to charities, Buddhist monasteries and village cooperatives, allowing students to learn about global issues, world religions and international relations. Our team will work on an important community service project in a school, and participate in unique workshops with experts at charities and women's cooperatives to learn about: Human Rights, Fair Trade, Environmental protection, and Poverty Reduction.

All students will earn the widely recognised ASDAN Universities Award, which looks excellent on University UCAS Applications.

If you have not already replied, please email me by Monday if you are interested in attending the Information Evening. Thank you.

Yours faithfully

**Ms Sue Bence**  
RCT Head of Ethics and Philosophy
