EC/JB

Dear Parent/Carer

Hodder A Level Geography Revision Webinar

In preparation for the summer A Level examinations, the Geography department is able to provide an opportunity for students to participate in a revision webinar run by Hodder Education. This webinar will concentrate on the key skills needed for successful completion of Paper 1 and Paper 2 within the A Level. Areas covered include:

- Revisiting the core Physical and Human topics (Water and Carbon Cycles, Superpowers, Globalisation and Tectonic Hazards);
- Extension of the above topics using up to date examples.

The webinar is 90 minutes long and will run from 3.30pm to 5pm on Wednesday 29 April 2020. In order to cover the cost of the webinar the charge is £5 per student payable by cash or cheque (payable to *Carre's Grammar School*); this will then enable us to refund this money should the numbers not be viable to run the session.

This is an excellent opportunity to gain insight from A Level examiners about how the papers are marked and students will benefit from the advice given in this webinar. If you would like your son/daughter to participate in this please complete the slip below and return in an envelope along with £5 (cash or cheque) by **Friday 7 February**.

Yours faithfully

Miss E Chaddock
Head of Geography

✂

Please return to: Geography Department, Carre's Grammar School.

Hodder A Level Geography Revision Webinar - Wednesday 29 April

I give permission for my son/daughter of formto take part in the above mentioned webinar and I enclose £5 to cover the cost of the webinar.

Signed Parent/ Carer
