

The Robert Carre Trust

Educational Visits Policy

The Robert Carre Trust will follow the Outdoor Education Advisors' Panel National Guidance (OEAPNG) – www.oeap.info

Aims and Purpose of Educational Visits

The Trust has a strong commitment to the added value of learning beyond the statutory school day and beyond the school premises.

Each year the schools within the Trust will arrange a number of activities that will take place off the school site and/or out of school hours, which enhance the learning process across the whole curriculum.

All educational visits need to have a clear objective, established in advance, and made clear to all relevant stakeholders – e.g. students, staff, parents, and governors.

It is also important to note that no student can be excluded from a school visit that takes place mostly in school time or is an integral part of the school curriculum because of an inability to pay the costs involved. Regular and standard sporting fixtures are not regarded as educational visits in the same sense, but risk assessments will be required,

Approval Procedure - see also Appendix 11 Trip Ratios and Authorisations

- **Permissions** - Before any visit is planned, permission must be obtained from the Executive Headteacher/ Head of School (according to category of visit) and Operations Manager, who is also the Educational Visits Co-ordinator (EVC).

Category A trips (day trips within mainland UK) will need approval by the Executive Headteacher/Head of School and the (EVC).

Category B trips (outdoor and adventure activities and those with any residential element within the UK) which have run before, at the discretion of the Executive Headteacher / Head of School and the Educational Visits Coordinator, must be signed off by the EH/HoS and EVC for authorisation by the Chair of the LGB .

Category B trips that have not run before must be recommended by the Executive Headteacher / Head of School and referred to the Chair of the LGB and Chair of Trustees for authorisation.

Category C trips (all visits abroad and activities in, or on water): the Chair of the LGB must recommend the trip, along with the Executive Headteacher/ Head of School. These Category C trips must then be referred to the Chair of the Board for authorisation. This means that those organising visits need to plan ahead, ranging from two years for Category C trips/tours abroad to a minimum of two terms for Category A trips.

- **Risk Assessment** (Form EV3) Detailed risk assessments for all trips are required well in advance (as a guide, 2 months) of the date of the trip
All Risk assessments are authorised by the EH/ Hof S/ EVC with Category B trips presented to the Chair of the Local Governing Body for approval and new Category B trips and all Category C trips presented to Chair of the Local Governing Body and the Chair of the Trust for approval. Some generic risk assessments are available for staff, but these should be used for guidance when preparing their specific risk assessments tailored for each visit (Form EV3). The Risk Assessment template is documented as appendix 3 to this policy.

- EV1, EV3 and EV6 forms for all Category B and C visits will be shared with Trustees and Governors through the GVO
- **Hazardous Activities** - Specific guidance on potentially hazardous visits or visits abroad is given on the OEAPNG website – it is important that staff planning visits of this nature consult this guidance.
- **Financing** - Educational visits should be self financing, although parental contributions are voluntary. The Trust's Charging and Remissions Policy gives details of the aspects of education for which the school may charge – these are the key principles:-
 1. Education provided wholly or mainly during school hours should be provided without charge;
 2. Off site activities can be financed through voluntary contributions. This should not discriminate against parents who do not contribute, although insufficient contributions may lead to the cancellation of a visit;
 3. Programmes which take place wholly or mainly outside of school hours* are not part of statutory curriculum provision are considered “optional extras”, and therefore may be charged.

(*This is determined by the number of school sessions missed compared to sessions outside school time, with each day regarded as having 2 sessions (morning to 12noon) and afternoon (after 12 noon). To charge, more “outside” sessions must be involved, rather than school sessions. It would be advisable to discuss visits likely to come into this category with the EVC at an early stage.)

All financial matters associated with an educational visit must comply with the Trust's Finance Policy.

Parents in receipt of certain types of benefit may be entitled to the board and lodging element of those visits which are not “optional extras”.

All letters regarding school visits should explain which principles apply, and that for visits mainly or wholly in school time, contributions are voluntary.

- **First Aid** - Where possible all visits should have an appropriately qualified adult with a first aid qualification as one of the accompanying staff – where the visit is assessed as hazardous (Category B or C) this is obligatory. **ALL** visits need to have the appropriate First Aid support to deal with minor injuries etc.

Roles and Responsibilities

The Trust will:-

Agree a policy for the management of educational/off-site activities (this policy), and associated policies which specifically include:-

- How off site activities are approved;
- How training and information is provided;
- Emergency action procedures;
- Reporting of accidents and incidents including “near misses”;
- Monitoring and review of policy and practice;
- Assessing proposals for specific category visits (B & C);
- Ensuring that less routine and hazardous activities are planned well in advance.

The Executive Headteacher/ Headteacher /Head of School will ensure that:-

- All off site activities comply with OEAPNG guidance, and local Trust and school procedures;
- The party leaders and additional staff are suitably experienced and competent to manage all aspects of the visit;
- Approval procedures are followed;

- The planning checklist and guidance are followed;
- Risks have been assessed, recorded and safety measures are in place to manage those risks;
- Child protection and safeguarding procedures are understood and followed;
- Visits are inclusive and take account of students with specific needs.

The Operations Manager (Educational Visits Co-ordinator (EVC)) is responsible for:-

- Ensuring that educational visits meet the Trust's and school's requirements;
- Supporting the staff and Trustees with the approval and other decisions associated with educational visits;
- In discussion with the Executive Headteacher/Headteacher/Head of School, assessing the competence of prospective leaders and staff participating in off site visits;
- Ensuring that appropriate training and induction is available to prospective leaders and staff participating in off site visits;
- Ensuring that risk assessments are suitable for the purpose;
- Ensuring parents/carers are informed and give consent;
- Keeping records of all visits and obtaining evaluation reports/accident-incident and information on "near misses" from the group leaders;
- Reviewing systems and monitoring practice.

The Group Leader has:-

- Overall responsibility for the supervision and conduct of the visit, including direct responsibility for the students' health and safety and welfare whilst off site;
- To be suitably competent and knowledgeable about Trust and school procedures;
- To plan and prepare the visit, assess the risks using the approved risk assessment matrix (Guidance – Appendix 1 Section 5) and summary sheet (EV3);
- Utilise planning checklists and OEAPNG website guidance for each type of visit to ensure all procedures are followed;
- To define the roles and responsibilities of other staff and students and to supervise them;
- To ensure letters are issued to parents/carers providing information about the visit, and ensuring the necessary consent forms are obtained;
- Responsibility for checking the medical needs, other specific needs and any child protection/safeguarding issues relating to any student participating in an off site visit;
- Take control of the situation in the event of an emergency to protect the health and safety and welfare of all those participating;
- Liaise with the EVC over any matters where advice is required;
- To complete the appropriate evaluation reports to the EVC notifying accidents/incidents and any "near misses" (EV6 and EV7).

Appendices

1. Stages to Organising a School Trip
 - a) EV1A – Educational Visits Approval Document – category A visits
 - b) EV1B – Educational Visits Approval Document - category B visits
 - c) EV1C – Educational Visits Approval Document - category C visits
2. EV2 – Costings Document
3. EV3 – Risk Assessment
4. EV4 – List of Participating Students
5. EV5 – Leader's Check List
6. EV6 – Post Visit Evaluation
7. EV7 – Incident Report
8. EV8 - The Educational Use of Commercial, Charitable and Private Facilities Contract
9. EV9 - Letter to Volunteer Driver
10. EV10 – Consent Form for Foreign Visits
11. EV11 - Trip Ratios and Authorisations
12. EV12 - Duke of Edinburgh Award Expeditions
13. EV13a - Student Health & Emergency Contact Form
EV13b - Staff Health & Emergency Contact Form

14. EV14 - Code of Conduct
15. EV15 - Students Staying With Host Families
16. EV16 - Passport and EHIC Details form (for staff and students)
17. EV17 – Staff Cover Form

Reviewed at the meeting of the Finance and Resources Committee on 10 December 2018

Ratified at the meeting of the Board on 13 December 2018

Next Review Date: December 2019 (Annually)

Stages to organising a school trip.

1. First, there needs to be a discussion with the EVC. The degree of cover needed and other events taking place will determine whether a trip can go ahead. The Executive Headteacher/ Head of School (according to category of visit) needs to approve the trip and then, according to category, the Chair of LGB and the Chair of the Trust. Please think about planning Category B and C trips two years in advance. (At CGS, trips will not be supported for the first 4 weeks of each school year and from Easter to external exams).

2. The EV1 and EV2 form are completed – including contact with coach company and facility providers regarding travel costs / entry fees. There is a form within the EV paperwork which should be completed to request for staff to be out of school on the trip. Trip organisers must identify a date whereby if there is not enough interest in the trip then it could be cancelled at no cost to the school. Decisions regarding trip costs and charges are made. Letters go out to parents.

3. The EV3 Risk Assessment Form is completed and the list of students attending the trip is circulated via the EV4 form.

4. Staff taking students on a trip abroad should use the EV5 form to support their planning.

5. On return – the trip organiser should complete the EV6 post visit form **without delay** and return to the EVC. This form will assist with planning trips in the future.

6. If there are incidents or near misses which take place on the trip, these should be recorded on the EV7 form

7. The EV8 form relates to arrangements if you are attending a facility which requires the Educational Use of Commercial, Charitable and Private Facilities Contract.

8. The EV9 form is required to be completed if you are hiring a mini bus and a member of staff the Robert Carre Trust is the driver for the trip. In this situation please liaise with the Educational Visits Co-ordinator.

9. The EV10 consent form requires completion for all foreign visits.

Throughout all the stages of arranging school trips the EVC is there to support the process. Please note that Trip Leaders will need to liaise with the Finance Dept regarding trip payments and the accountability of money you hold on behalf of the school party.

EV 8 - THE EDUCATIONAL USE OF COMMERCIAL, CHARITABLE & PRIVATE FACILITIES CONTRACT

It is not feasible for the Trust to approve each centre or tour operator, which is likely to be used on a regular and systematic basis. Therefore, the following questions are directed at providers. Please give careful consideration to the statements below and sign in the appropriate space that the standard of service that you will provide to the establishment named below, will meet the conditions listed. Please indicate and statements which do not apply to your provision. Space is also provided for you to detail any Centre registration or approval scheme for which you hold current accreditation. Certificates and documentation should be available for inspection on request.

To be completed by the Group Leader

- FEMALE:

NAME OF OUTDOOR CENTRE:

To be completed by a management representative of the centre

STAFFING

- 1. The staff with whom the schools in the Robert Carre Trust will work are qualified with the appropriate National Governing Body at the instructor level recommended by that NGB for the activities to be undertaken.

PLEASE STATE BELOW NATIONAL GOVERNING BODIES (in full)

.....
.....

2. Where there is no appropriate National Governing Body or appropriate award for a particular activity a copy of the providers published Code of Practice, including training, assessment and risk assessment procedures, is available on request
3. The ratios of staff to young people for the activities conform to those recommended by the appropriate National Governing Body, or, in the absence of this, the Provider's Code of Practice.
4. The staff have the experience, competence and professionalism to work with the age range and abilities of the group.
5. Persons involved in the administration of First Aid hold relevant current qualifications.

EQUIPMENT AND RESOURCES

1. The premises are covered by a current fire certificate or recent advice of the local Fire Authority has been sought and their recommendations adopted in full.
2. All equipment and resource provision are suited to the task, adequately maintained and in accordance with statutory requirements and current good practice, with records kept of maintenance checks.
3. Vehicles and trailers are kept in a road worthy condition, comply with existing regulations and are appropriately insured.

PROGRAMMING

1. There is a stated Code of Practice for each activity and these conform to the requirements of the appropriate National Governing Body where appropriate.
2. There are adequate and regular opportunities for the Party Leader to liaise with the provider and designated staff?
3. There are appropriate programme options in the event of bad weather, staff illness and other unforeseen circumstances.

GENERAL

1. The Centre has a comprehensive Code of Conduct for visiting groups which will be provided on request in advance of any booking.
2. All staff working with pupils in a Licensed Centre (Young Person's Safety) Act 1995 have gone through the Police Clearance/Enhanced DBS checks.
3. There is a clear documented definition of responsibilities between providers and visiting groups regarding safety, supervision, the programme and general welfare, which will be made available on request to the Party Leader in advance of any booking.
4. The provider complies with relevant safety regulations such as the Health and Safety at Work Act 1974; Complies with the specific Regulations made under that Act (the Management of Health and Safety Regulations 1992) with specific reference to risk assessment in terms of those Regulations; Environmental Health requirements and has a published health and safety policy.

5. The provider complies with requirements for public liability insurance cover. (Currently this should be at least £1M).
6. There are documented procedures for dealing with accidents, near misses and emergencies and that records are available for inspection on request.
7. The provider encourages responsible attitudes to the environment as an integral part of the programme.
8. The Centre has robust systems in place to monitor visitors to the site and deter unauthorised entry.

**This centre is licensed under
The Activity Centre (Young Person's Safety) Act 1995**

The Robert Carre Trust Educational Visits

Trip ratios and authorisation

The following table is a guide and should be considered by trip leaders when planning for a trip. Discussion may well be needed with the EVC to confirm and finalise staffing levels.

Category of Trip	Example of Visit	Approval Procedure	Ratio
A	Visits and journeys with risks similar to everyday life. E.g. museums, theatre, fieldwork	i. EVC ii. Headteacher /Head of School	2:35 & 1:15 thereafter
B (previously run)	Outdoor and adventure activities in more remote areas having an element of risk. Any visit with residential element within the UK.	i. EVC ii. Headteacher /Head of School iii. Chair of LGB	2:25 & 1:12 thereafter
New B (not previously run)	Outdoor and adventure activities in more remote areas having an element of risk. Any visit with residential element within the UK.	i. EVC ii. Headteacher /Head of School iii. Chair of LGB iv. Chair of Trust	2:25 & 1:12 thereafter
C	All activities, in or on water Activities with a significant health and safety concern. All visits abroad	i. EVC ii. Headteacher/Head of School iii. Executive Headteacher iv. Chair of LGB v. Chair of Trust	2:20 & 1:8 thereafter 2:15 & 1:8 thereafter

The Robert Carre Trust Educational Visits

EV12

Duke of Edinburgh Award Expeditions

The AIM for the Expedition Section of The Duke of Edinburgh Award:

To inspire young people to develop initiative and a spirit of adventure and discovery, by planning, training for and completing an adventurous self-sufficient journey as part of a team with an agreed aim. All participants must have appropriate training, do at least one practice expedition, complete a qualifying expedition (the one which is assessed against the 20 Conditions) and deliver a presentation in order to complete this section

Bronze Expeditions – Two Days of 6 hours planned activity (half must be journeying) with an overnight camping.

Silver Expeditions – Three days of 7 hours planned activity (half must be journeying) with two nights overnight camping.

Gold Expeditions – Four days of 8 hours planned activity (half must be journeying) with three nights overnight camping.

Enrolment Evening

An enrolment evening will be held at the start of the Academic Year for all interested parties to attend to find out more. Forms will be distributed to invite applicants and payment to register will be due.

Cost

The registration and both expeditions will have a cost to be covered by the participants. The EVP(Educational Visits Policy) costing policy and forms will be used for this.

Training

All participants must attend two days training provided in School to develop skills in:

- Map Reading
- Route Planning
- Cooking and Nutrition
- Tents
- Rucksacks
- Kit
- First Aid (BHF Heartstart)

Practice Expeditions

The practice expedition will ideally be held in similar terrain as the Assessed Expedition. The duration should be the same as the assessed expedition (exception may be made if all participants have completed the lower level award within School).

Assessed Expedition

All qualifying expeditions will be held in similar terrain as the Practice Expedition. All Assessed Expeditions will be assessed by qualified DofE assessors who have undergone DofE Assessor training and quality checking by Central England.

Presentation of Aim

All participants will be expected to present their Expedition Aim to a member of the DofE staff team on a date convenient to all at the earliest opportunity post Expedition. The format for this can be chosen by the group.

Completion

Upon completion Participants will be invited to attend the Annual School Celebration Evening. This will be held before the end of term one in the academic year for all completed participants to bring a guest and receive their certificates.

Parental Consent

All participants have parental consent on the initial DofE enrolment forms to participate in the Scheme as a whole.

For every Expedition the parental consent and Health forms from the EVP will be used.

Supervising Staff

All expeditions including practice expeditions must be supervised by suitably experienced adults who is competent in the mode of travel and who will be based in the area of the expedition. Supervisors accept the responsibility for the safety and welfare of the team during the expedition. They are also responsible for behaviour of teams whilst out on Expedition.

All supervising staff will attend the Introduction to DofE Course and Supervisors Course run by Central England DofE prior to supervising a group alone.

All supervising staff will hold a current First Aid Certificate (minimum of 8hrs).

All supervisors will hold a DBS certificate.

All supervising staff will be assessed for currency in the mode of travel on a three year basis. This check will assess how many expeditions they have supervised and the areas in which they have been held to ensure all staff are operating within their remit.

All supervising staff will be issued for the duration of the expedition with a red rucksack containing all items required for dealing with an emergency.

Supervision Styles

Direct – Supervisors are in direct contact with the team and is accompanying them. Used on training and practice expeditions and may be appropriate at particularly hazardous sections of the qualifying expedition ie road crossings or near water.

Close – Supervisors are close enough to intervene if necessary in order to offer support or guidance or to stop mistakes being made. Used on the initial parts of a practice expedition or when a group have additional needs. Team would be aware of the presence of the supervisor and in hearing/visual contact.

Remote – Supervisors remain out of sight and hearing of the team and allows them to get on with the expedition without intervention. The supervisor will have a good idea of roughly where the team are and how they are progressing. Normally used for qualifying expeditions. The supervisor should allow the team to make mistakes and recover from them without intervention and support the team by remaining remote only intervening if absolutely necessary or if requested.

Campsite Supervision

Supervisors will most likely stay on the same campsite as the teams however as far away as possible to allow the teams to get on with their expedition without intervention. At Gold level it should not be a requirement for any supervisor to stay on the same site as the team so long as good communication is available in case the supervisor is needed in an emergency.

Mobile Phones

Mobile phone contact is unreliable particularly in wild country areas and therefore should not be relied upon. Testing should be carried out is remote camping is taking place to ensure protocols are in place for the teams to contact the supervisors in case of emergency. A POC at School will always be appointed for the Expedition period bot in School time and out of hours. Parents will be made aware of these details in letters and communications. Supervisors are not to rely upon text or phone call updates from the team but need to have seen their team and know roughly where they are throughout the expedition. No team member should have their mobile phones with them on expedition (these are collected in by supervisors). The teams are issued with one phone per group from the DofE kit store for the duration of the expedition for use in an emergency. They are also issued with a contacts list detailing their supervisors contact along with all others on the expedition including the School, Out of Hours, CoOrd and Emergency numbers.

Insurance

All supervisors and team members are covered by the DofE Personal Accident policy; however this only covers accidents and not loss or theft.

School Insurance should also be sufficient to cover this

Accident Reporting

All accidents will be reported using the EVP Accident Reporting process and forms; Accidents are also reported through the DofE chain of command to Central England.

Risk Assessments

All Risk Assessments will be completed using the EVP Risk Assessment process and forms.

Robert Carre Trust – Student Health & Emergency Contact Form- Appendix 13a
Planned Activity:

Date(s) of Visit:

Surname.....Forenames.....

Parent Address during visit Date of Birth.....

..... Home Tel No.....

Post Code Work Tel No (+ ext).....

Mobile Numbers: (Please also state name and relationship of holder)

Name	Relationship to Student	Number

Doctor Tel. No

National Health No. (if known)

Is your son/daughter **allergic** to any medication, insect bites, food etc? Please specify

.....

Are there any **other medical conditions / issues**? Please specify and include details of any prescribed medicines your child will be taking during the trip. If your child suffers from Travel Sickness / Sleepwalking / Nocturnal enuresis please indicate here.

.....

Has your child received a tetanus injection in the last five years: YES/NO

Does your child have any special dietary requirements? Please specify

Please indicate normal pain relief medication & dosage your child takes.....

.....

In the event of illness or accident during the trip we would inform you as soon as possible. However, should an emergency require hospital treatment, and you cannot be contacted, we need to know if you would authorise the trip organisers to sign, on your behalf, any written form of consent required by the hospital authorities.

PLEASE DELETE THE STATEMENT THAT DOES NOT APPLY:

* I give the authority to the trip organiser to sign, on my behalf, any papers needed by the medical authorities in case of emergency hospital treatment.

* I wish to retain the authority to sign any medical forms and relieve anyone involved of all responsibility for any consequences resulting from delay due to lack of authorisation.

Signed Parent/Carer Date

Alternative Mobile Numbers: (Please also state name and relationship of holder)

Name	Relationship to member of Staff	Number

Doctor Tel. No

National Health No. (if known)

In the event of illness or accident during the trip we would inform your next of kin as soon as possible. However, should an emergency require hospital treatment, and next of kin cannot be contacted, we need to know if you would authorise the trip organisers to sign, on your behalf, any written form of consent required by the hospital authorities.

PLEASE DELETE THE STATEMENT THAT DOES NOT APPLY:

- * I give the authority to the trip organiser to sign, on my behalf, any papers needed by the medical authorities in case of emergency hospital treatment.
- * I wish my next of kin to retain the authority to sign any medical forms and relieve anyone involved of all responsibility for any consequences resulting from delay due to lack of authorisation.

Signed Date

TICK IF THE REVERSE OF THIS FORM IS USED TO GIVE ANY ADDITIONAL INFORMATION

- Students and parents will be required to indicate their acceptance of the conditions below by signing a copy of this code. Refusal to sign could result in the offer of a place being withdrawn.
- Boys/Girls are expected to conduct themselves in a considerate and courteous manner at all times and to behave responsibly. School rules regarding behaviour and conduct apply.
- Rooms should be kept tidy and due respect paid to the furnishings and fabric. Individuals may expect to be charged for any damage caused due to misuse or inappropriate behaviour. Accidents should be reported at the earliest opportunity.
- NO eating or drinking is permitted in the bedrooms.
- Boys/Girls are expected to be in their own rooms, quiet and asleep between 23.00 and 07.00.
- Punctuality to all meeting points is essential. Boys/Girls must report in at the agreed times to the designated member of staff. They should make sure they know the agreed time before dispersing for free time.
- Boys/Girls are expected to listen to and follow all instructions given by members of staff.
- iPods / MP3 players should NOT be used during visits and activities to ensure instructions can be heard.
- During periods of free time boys/girls should be in groups of no fewer than 4 persons. (One to remain in support and two to seek assistance). They should make sure they know where staff members will be based.
- Emergency Contact Details should be carried at all times in Students should also add the school mobile numbers to their phone's contacts list.
- In the absence of a qualified lifesaver boys will not be permitted to swim in the sea but may paddle **with permission and under supervision**.
- Boys/Girls should not leave the centre premises without the express permission of a member of staff.
- Boys/Girls may not purchase or consume alcohol or tobacco. Any attempt to smuggle such items in outward bound luggage would be considered a serious breach of the code as would consumption during the visit.
- Boys/Girls are not permitted to purchase any of the following items:
Alcohol, tobacco, flick combs, horror magazines, laser pens, firecrackers, fireworks or anything they might be too embarrassed to show their mother/grandmother! If in doubt, ask, rather than waste your money!
- Staff will not bring individual items through customs for individual students.

Parent Acceptance

I have read and understood the expectations of the code of conduct. I have reinforced the importance of abiding by the code with my son/daughter and agree to support its implementation fully.

Robert Carre Trust Students Staying with Host Families

Keeping Children Safe in Education (2016) Appendix E makes specific reference to children staying with host families and the pertaining safeguarding requirements. The Robert Carre Trust recognises that Trust schools may make arrangements for their students to have learning experiences where, for short periods, the students may be provided with care and accommodation by a host family to which they are not related. This might happen, for example, but not only, as part of a foreign exchange visit or sports tour.

The Trust recognises the intrinsic value of experiencing daily life in a different culture in this way but also recognises that such arrangements raise safeguarding risks that need to be addressed.

The Association for Language Learning (University of Leicester) was furnished with clarification from the DfE on 6 October 2016 with regard to DBS checks. (<http://www.all-languages.org.uk/news/dbs-checks-on-host-families-in-school-exchanges-update/>).

The key points of this guidance are summarised as follows:

- There is no requirement for schools to seek DBS checks for families ahead of exchange visits but such checks would be permitted if the school's risk assessment deemed them necessary
- The care provided by host families would be regulated activity BUT because the activity takes place in the home rather than at one of the establishments known as 'specified places' there are no regulatory requirements for checks to be undertaken in respect of the families involved.
- In cases where the child's parent(s), or a student themselves, make their own arrangements then this would be a private arrangement and not subject to any DBS checks.
- If schools decide not to carry out these checks, they should satisfy themselves that they are not putting a child at risk and be able to justify the decision if challenged.

In order to ensure that students taking part in such activities are not being put at risk, Trust schools will comply with the following procedures and protocols:

- Participating parents/carers should complete a self-declaration and host agreement form; this should be translated where possible into the relevant language of the host family
- Participating parents/carers should be made aware of these protocols and procedures as part of the consent process
- Students and their parents/carers must be made aware of the safeguarding risks that they could face and the safety measures that will operate during the visit. These risks and reduction measures should be part of the visit Risk Assessment and the pre-visit briefing meetings.
- Students must have telephone access to their teachers at all times during the visit and should not have more than two days without face-to-face contact with their teachers
- Party Leaders must ensure that as part of the visit risk assessment process alternative emergency accommodation is available should there be an urgent need to re-house a student during the visit. Where the emergency is of a safeguarding nature this should ideally be with one of their accompanying teachers; in other emergency situations a reserve family that is well-known to the school or a local teacher's family would be an appropriate alternative.
- Host parents/carers will not delegate care to another adult during the visit without the knowledge and agreement of the Party Leader

- Pastoral staff in a Trust school should be consulted as to the whether they are aware of any concerns that might bring into question the suitability and/or capacity of host family to provide care to the host student; the Designated Lead for Safeguarding should also be consulted to ensure that students are not being placed into homes where there are known risks
- Where a significant risk is identified the Designated Safeguarding Lead will assess the risk in consultation with the Party Leader and determine if a placement is suitable. Where such risks are identified this should not automatically preclude a student from participating in the exchange but may require reasonable adjustments to be made.
- The host school abroad will be expected to give similar consideration to the suitability of their host families and this must be part of the planning discussions between the respective party leaders. A refusal to give due consideration to these safeguarding protocols could call into question the viability of an exchange arrangement.
- Any safeguarding incidents or concerns should be reported to the Designated Safeguarding Lead as soon as possible. Where contact is not immediately possible the party leader's first priority must be the safety and well-being of the student concerned. The Party Leader should make a record of disclosures and measures taken to support the student.
- If local law enforcement agencies are involved urgent contact must be made with the Executive Head and the Designated Safeguarding Lead.
- Party Leaders should ensure that the UK contact person knows how to contact the Executive Head and the Designated Safeguarding Lead or Deputy Designated Safeguarding Lead.

Please ensure that form EV15 is completed.

Robert Carre Trust Host Family Agreement & Declaration

EV15

Name of Parents/Carers:

.....
.....

Address during the visit:

.....
.....

Agreement

- I understand that I am responsible for providing an appropriate level of care for the student I am hosting
- I will not delegate this care to another adult without the knowledge and consent of the lead teacher
- I will ensure that the student can contact their accompanying teachers by phone at any time they wish to do so
- I will notify the accompanying teachers of any concerns as soon as possible
- Where a student becomes ill I will notify the accompanying teachers as soon as is practicable and before seeking routine medical treatment from a GP/doctor as the Party leaders hold the relevant delegated authority and confidential medical information from parents.
- Where emergency medical treatment is required, securing emergency treatment should take priority over informing accompanying staff but staff should be notified concurrently or at the earliest opportunity as they hold all relevant medical information for the student.
- I understand that in an emergency I can contact the lead teacher at any time of day or night
- I will ensure that the student is not exposed to material / venues that are not age-appropriate
- I will ensure that appropriate arrangements are made for the student to return to my home after visits or activities
- I will ensure that the student under my care adheres to the participating schools' agreed code of conduct and protocols for school visits.

Safeguarding Declaration

I understand that under the terms of current UK safeguarding regulations I am providing care that is classed as regulated activity and declare that there are no restrictions and/or convictions that would prevent me from providing such care to the host student.
